SWOC ANALYSIS

STRENGTHS

Govt. College Sanjauli was established in 1969 it is a co-educational institution affiliated to Himachal Pradesh University. Aaroh Tamso Jyoti - May we rise from darkness to light, i.e. from ignorance to knowledge, is the motto of Govt. College Sanjauli, Shimla-6 compels one to halt at its portals and ruminate the value-oriented Education being imparted by this premier institution of Shimla. The college enjoys the distinct position of not only being the first degree college to have been set up in Shimla in 1969, but also the first ever college in H.P to have been conferred with the status of CENTRE OF EXCELLENCE in 2006. The brief History of the College is as follows:

- **Heritage building:** The institution takes pride in its rich history and heritage. The impressive structure of the main building, currently housing Administrative Block and Computer laboratories reminds one of the day of yore, when the jungle of concrete building had not defaced the Queen of Hills. The College was constructed way back in April 1869 by Harriet Christina Tytler as an institution for industrial orphanage under the name of Himalayan Christina orphanage and named as North Stoneham. Later in 1872, the same institution was reconstituted as the Maya Industrial School for female orphans and other girls of European extraction. However later it was rebuilt at a grand cost of Rs.73545/- and was opened for use in March 1,1905 during the lieutenant Governorship of Sir Charles River, K.C.S.I and the episcopate of Reverend George Alfred Lefroy, D.D., the third Bishop of Lahore. The structure was designed by the Architect A. Gaddock Esq. and built by the builder, Messrs. Rivertt and Sons. After independence, this institution was converted in a B.Ed/B.T. College for girls affiliated to Punjab university, till it attained its present position.
- **Centre of Excellence :** This is the first college in H.P which has been conferred with the status of Centre of Excellence in 2006. The College has been declared a Centre of

Excellence by Hon'ble Chief Minister Sh. Virbhadra Singh, vide notification No EDN_A JA (I)-7/2005 dated 28-03-2006.

- **Faculty:** There are 41 permanent teacher out of Which 21 have Ph.D and 20 earned M.Phil Degree. The Number of Technical Staff is 13 and Administrative Staff is Around 15. All the teaching staff members are capable to run their concerned faculties with great intelligence and potential.
- **Streams:** The College is running three streams Arts, Science & Commerce besides BCA & B.Com, which were started in 2006. All the streams are giving commendable performances in studies and have high-tech labs.
- **Hostel:** There is a boys Hostel with the capacity 170 Students where students get accommodation on merit basis. New boys Hostel was inaugurated on 15 July 2010 by Hon'ble Chief Minister Prof. Prem Kumar Dhumal. Apart from academic facilities students are provided Gym, T.T. and many Indoor games, hygienic food and water are provided for students.
- **NSS:** NSS provides students with opportunities for serving the community, nation and society. It also provides them with an opportunity to interact with people in the campus creatively and constructively, and to put their education to concrete social use.
- **NCC:** NCC develops qualities of character, courage, comradeship, discipline, leadership, secular outlook, spirit of adventure and the ideals of selfless service amongst the youth of the country. To create a human resource of organized, trained and motivated youth, to provide leadership in all walks of life and be always available for the service of the nation. The NCC undertakes the following activities:
 - Training Activities
 - Leadership Camps
 - VAYU Sainik Camps
 - Nav Sainik Camps
 - Rock Climbing Camps
 - National Integration Camp (NIC)
 - Thal Sainik Camp
 - Army attachment Camp
 - Republic Day Camp (RDC)
 - Annual Training Camp

Website: The College has its own official website www.gcsanjauli.com. The College is fully covered with E Surveillance

College Library: College is a member of the project National Library and Information Services Infrastructure for Scholarly Content (N-LIST) being jointly executed by the UGC-INFONET Digital library consortium INFLIBNET centre and INDEST-AICTE consortium IIT Delhi. This project provides free access to collection of more than 97000+ full text e- books and more than 6000+ e-journals on all the subjects to students, researcher and faculty members. Many new academic e-resources are added to this facility nearly every month. In this computerized library there are 32000 books, pertaining to all the disciplines in the college. Magazine, Newspaper, Journals and Electronic Periodicals are provided for the benefit of students and teachers.

- **Co-Curricular activities:** The College had the honour to host many HPU inter College cultural and sports Championships.
- The College bagged First prize in HPU Youth Festival Group II (Indian Group Song) held at GC Bilaspur. In the same event the college got Second prize in Folk Song (Solo)

The college teams got many First /Second positions in many activities and participated in the North Zone Inter University Youth Festival and Sports Championship.

Multipurpose Auditorium: The College has multipurpose auditorium, where cultural, Academic and Sports activities are organized, throughout the year. Many state and national level activities have been organized in this Auditorium.

An ideal location for studies:- Its ideal location with lush green Cedars and Oaks add to the ambience required for chiselling the personality of youngsters who are yet to carve a niche for themselves in competitive world.

WEAKNESSES

- College campus has a very small area which needs expansion.
- College is not having girls hostel, staff quarters which are urgently needed.
- For many sports activities, the playground is not available.

- Additional classrooms are needed for the purpose of PG classes and Self Financing Courses.
- Lack of modern classroom facilities.
- Shortage of teaching and non-teaching staff.
- Shortage of departmental rooms for the teaching staff.

OPPORTUNITIES

Since the establishment of the college in 1969 there have been many achievements to the credit of the college and its students as per the record. **Govt. Degree College Sanjauli** was the first college to be conferred with the status of “**Centre of Excellence**” in 2006 which it holds till now.

The college has many more opportunities to groom the students towards their career success. First and foremost the motto of college – Aaroh Tomso Jyoti – May we rise from darkness to light; has come to be true as the college is giving light of education to visually handicapped students, so that they can rise from ignorance to knowledge. The college has provided opportunities for these special pupils to attend lectures as well as to give exams conveniently.

The college provides a wide selection of programs to supplement the classroom experience, few of them are:

Scholarships:

During the session under report, financial assistance in the form of the scholarship was availed by the students of different categories under different scholarship schemes:

S.N.	Name of Scholarship	2016-2017

- **Career Guidance:-**

It is formed to help the students by providing the information for the selection of career and job placement through various government and private agencies.

- **Computer Science Course for BA/BSC/B.Com:**

The computer science course is offered in the college, enabling students to be in conformity with the present times. Understanding the significance of the subject many students from different streams have opted for it. This course is about problem solving; by studying and developing computer software, one can explore and analyze techniques for solving problems and expanding human capabilities.

- **Project – Based Learning: -**

Project based learning is a dynamic classroom approach in which students actively explore real-world problems and challenges and acquire a deeper knowledge. This opportunity is being given to RUSA CBCS and BCA students, which is a self financing course. It is a rich academic field that seeks systematically study of the processes for solving problems and untangles the complexities in the concrete physical world. The students focus on understanding these processes, to program computers, their implementation, and to apply computer science ideas to real problems of interest.

- **Workshops and Seminars:**

The college has organized various seminars and workshops for the students. These are vital parts of most academia courses and give an opportunity to discuss topics and issues with other students, teaching faculties. It also includes opportunities to apply knowledge from the lectures delivered by special guest to upgrade the knowledge.

Open and Distance Learning System:

The college has a study centre of IGNOU Indira Gandhi National Open University. Studying with IGNOU is different from the conventional system and it offers flexibility in the sense that one can pursue courses and programs along with the regular course of study

Most non-academic activities may not be directly associated with educational goals, students can learn valuable lessons from such experience. The activities such as sports, music clubs, or other non-academic activities offer opportunities to relieve stress develop skills outside the academic realm and create a sense of belonging. Extracurricular clubs also present possibilities for students to strive for personal improvement and see the results of hard work. Such situations may be particularly important for students who are not adequately channelized in the classroom.

- **NSS (National Service Scheme):**

It provides students with opportunities for serving the community, nation and society. It inculcates in students a sense of leadership and team work enabling them to identify and resolve community issues.

- **NCC (National Cadet Corps):**

It is a Tri-Services organization engaged in grooming the youth into disciplined and patriotic citizens. It aims to develop qualities of character, courage, spirit of

adventure and the ideals of selfless service amongst the youth of the country. The college has also well organized units of Rangers and Rovers activities.

- **College Library:**

The college is a member of the project “National Library and Information Services Infrastructure for scholarly content (N-LIST)”. This project provides free access to a collection of more 76000 e-books and more than 2000 e-journals in all the subjects to the students, researchers and faculty members. College also has a regular subscription of nearly 21 Newspapers (Hindi & English), 10 Journals, 22 Periodicals, number of Electronics Periodicals and 3 Computers for the benefit of students and teachers.

- **Hostel:**

The college has hostel accommodation for 169 boy students, specially for the students who come from backward and tribal areas. The admissions are given on the merit basis. So, the college provides opportunity to the tribal meritorious pupils to stay within the institution where they study.

- **PTA:**

Parent Teacher Association is a platform where important issues related to stake holders are discussed and it provides direct link between parents and teachers. The parent and teachers come up with the solution to the problems of the students together. The Parent Teacher Association also assists the needy and the poor students out of PTA fund.

- **OSA:**

The Old Students' Association (OSA) of the college was formed on 15th February 2013 with 77 members on roll under the patron ship of the then Principal Dr. J.S Negi. In the current session the OSA was strengthened by increasing the membership to 200 members. The general house of OSA was held in the college auditorium on 10th Sept.2016. The members shared their experiences and proposed a tentative future plan where old students can play a vital role for the betterment of the institution as a whole. The following executive body was also elected

President	Sh. Kuldeep Rathour
Vice-president	Sh. Sushant Kaprate
Secretary	Dr. Vinay Mohan Sharma
Joint Secretary	Sh. Virender Sharma
Treasurer	Sh. Surinder Chauhan

CHALLENGES

- **Knowledge Hub:**

It is the greatest challenge of any institute to be able to leverage the power of its students to ensure their peak performance and to leave no stone unturned to transform the young students into individuals with compatible skills and knowledge. It is all about achieving

academic excellence value based education and providing environment for an overall personality development of students.

- **Infrastructure:**

The tireless efforts of the faculty are supported by its infrastructure. Apart from the traditional classroom culture, students, capabilities, can be enhanced by resorting to pedagogical innovation, to improve student learning. Technology is a vehicle for accomplishing this goal, as it is necessary to enable faculty to improve their knowledge base for teaching and research. In today's digital age students have an approach to learning that differs from the norms a decade ago. To be successful in teaching and mentoring these students, the institute has made the effort to provide digital boards, which the faculty and staff increasingly required to enhance teaching strategies further, we can work in establishing multi-media laboratories, including language laboratory in order to promote good teaching learning environment.

- **Vocational Courses:**

Our aim is to provide value added education to transform students into dynamic professionals. The challenge for us is to provide our students with the very best platform that will positively cultivate student's creativity. The rapid rate of advancement has opened multifaceted opportunities for the students of this millennium. For this the institute has to make an endeavor to further widen the prospects by including still more vocational course which plays a vital role in grooming new age. The college prepares students for specific trades and employments at various levels by providing them employability which at the end is the need of the day.

- **Placement of Students:**

A placement is a step into the professional world. The goal of any institute is to set placement goals and devise the ways to accomplish them. The institute looks out for the students and make sure that they accomplish what they choose to do. For this it is necessary to encourage various competitive exams, so as to translate their skills into employability.

Best Practices of the College

Other than academic pursuit it is the responsibility of the college to inculcate some good habits among the students to make them responsible and accountable citizens. Various initiatives like energy conservation, use of renewable resources, e-waste management, water harvesting etc are taken by the college. A general culture has been developed in the college to use dustbins and to put mobiles phones on silent mode. The students are motivated to save electricity by switching off electric appliances, tubes and bulbs in each classroom when they leave the classrooms.

The college has an active Nature Club which has taken various steps to make college premises environment friendly . Environment Science as a course has been made compulsory to all the students . People from different fields are invited for lectures, discussions and interactive sessions in the college. The NSS volunteers adopted a village /area in the vicinity and organized a week long camp for cleanliness and up gradation of area. The college has Disaster Management cell which organizes various activities like drills , seminars and demonstrations for earthquakes , fire disaster etc. Special attention is given to meet the needs of the marginalized groups and differently –abled . Various programs and workshops are organized to hone the skills of the faculty , students in general and specifically students with special needs.
