

REPORT ON EDUCATIONAL TRIP :

An Educational trip to Dharamshala and Dalhousie was organized for 2nd and 3rd year students of BBA Department. The students were under the direct supervision of their teachers Ms. Sakshi Sharma, Ms.Tarini Kanwar, Ms Shivani Mehta and Ms Razaal Panta who accompanied them on the tour.

This report recounts our delightful trip, showcasing the beauty, culture, and experiences of these enchanting destinations.

Itinerary:

Our journey began on the evening of the 6th, taking us to three beautiful destinations. We explored a monastery, visited the famous Dharamshala cricket stadium, and enjoyed a campfire and camping adventure.

Educational Components:

Communication Skills: Interacting with locals and fellow travellers improved our ability to communicate effectively in diverse settings.

Management Skills: The visit to the cricket stadium provided insights into sports management, a valuable skill for our BBA course.

Bonding: The campfire and camping experiences strengthened relationships among students and teachers, enhancing teamwork and social skills.

Personality Development: Stepping out of our comfort zones encouraged personal growth, boosting confidence and adaptability.

Maximizing Opportunities: Making the best of every situation taught us resourcefulness and resilience.

Acquisition of Knowledge: The trip expanded our horizons, offering new insights and perspectives.

Importance of Educational Trips:

Educational trips are crucial for student and college development. They promote well-rounded growth by enhancing communication and management skills, fostering camaraderie, and nurturing traits essential for success in our BBA course and future endeavors.
