

One Day Workshop by ELIGO CS Pvt. Ltd.

A workshop was conducted by ELIGO CS Pvt. Ltd., Shimla for the students of BCA and PGDCA on **26th October, 2023** in Centre of Excellence G.D.C. Sanjauli. The topic for the workshop was **“Latest Technologies & Trends in IT Sector”**. The program was scheduled at 11:00 AM in the conference hall with the aim of adding some new information into the students’ knowledge bank.

The session started with the welcome speech by Prof. Surinder Chauhan, Dept. Of Computer Science, Centre of Excellence G.D.C. Sanjauli. He introduced Mr. Pankaj Sharma and Mr. Rizul Thakur from ELIGO CS Pvt. Ltd. Shimla. He also gave students a brief introduction about the topics to be covered in the workshop.

Mr. Pankaj Sharma began the session where he talked about the scope of various technologies currently used in IT Industries such as LARAVEL, WordPress, Python, PHP, JS, etc. he also explained how these technologies are helpful in real world scenarios and what are the future scope of these technologies.

His presentation was followed by the speech of his co-team member Mr. Rizul Thakur on the topic **“Full Stack Development”** where he explained to the students what full stack development is and its importance in today’s world.

The workshop was concluded by a vote of thanks by Mr. Muneet Lakhnupal. The session was a memorable learning event for the students.
