A Rajya Puraskar Testing Camp for Rangers was organized from 10th to 14th December 2025 to evaluate their practical skills, knowledge, and overall development through various tests based on the Scouting syllabus.

Participant:

Ananya – B.A. 2nd Year

Roll No.: 24509007

Training & Activities

During the camp, the Ranger appeared for several theoretical and practical tests, including:

First Aid Test

Mapping

Estimation

Compass Work

Fundamentals of Scouting

Pioneering using knots and lashings.

Outdoor cooking without utensils using natural and improvised methods.

All activities were performed under proper guidance and supervision.

Learning Outcomes:

The camp helped the Ranger improve first-aid knowledge, mapping, estimation, and compass skills. It also strengthened her understanding of Scouting fundamentals, creativity, teamwork, and outdoor survival skills.

CONCLUSION

The Rajya Puraskar Testing Camp was an educational and skill-oriented experience that enhanced the Ranger's practical knowledge, confidence, and discipline. The experience gained will be valuable in her future Scouting activities.
