REPORT

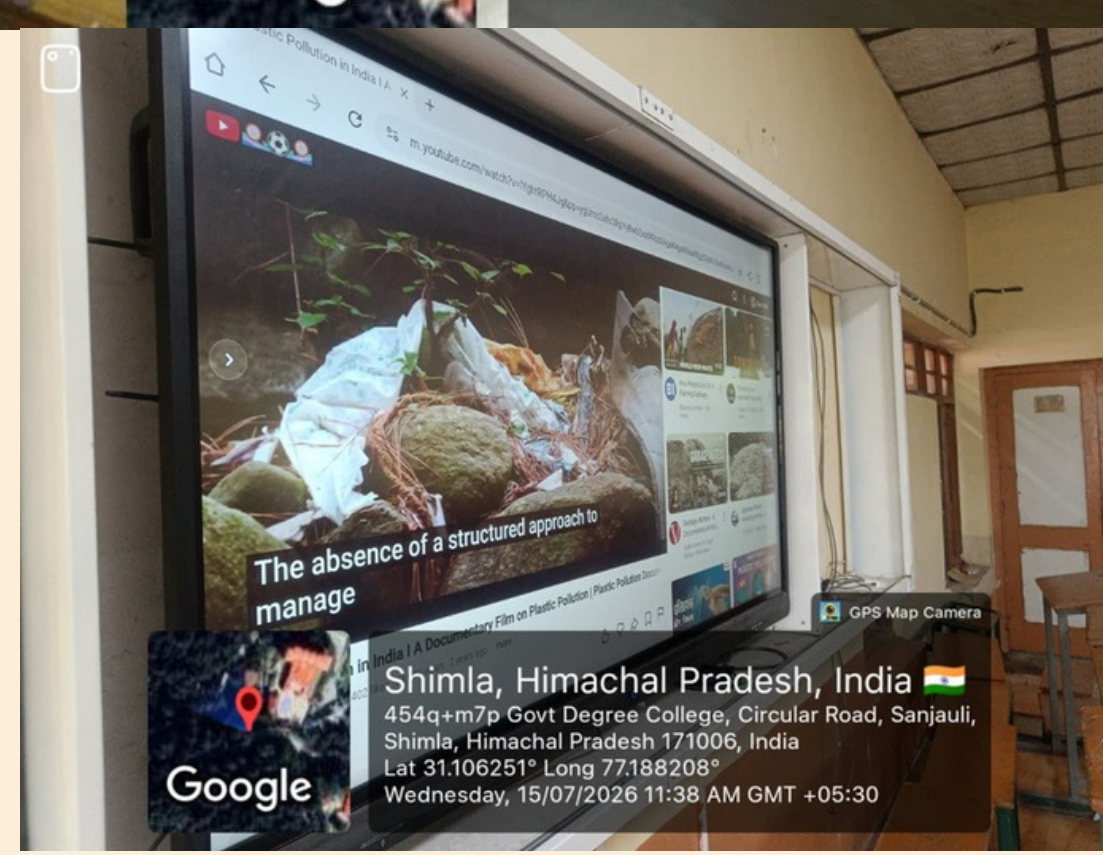

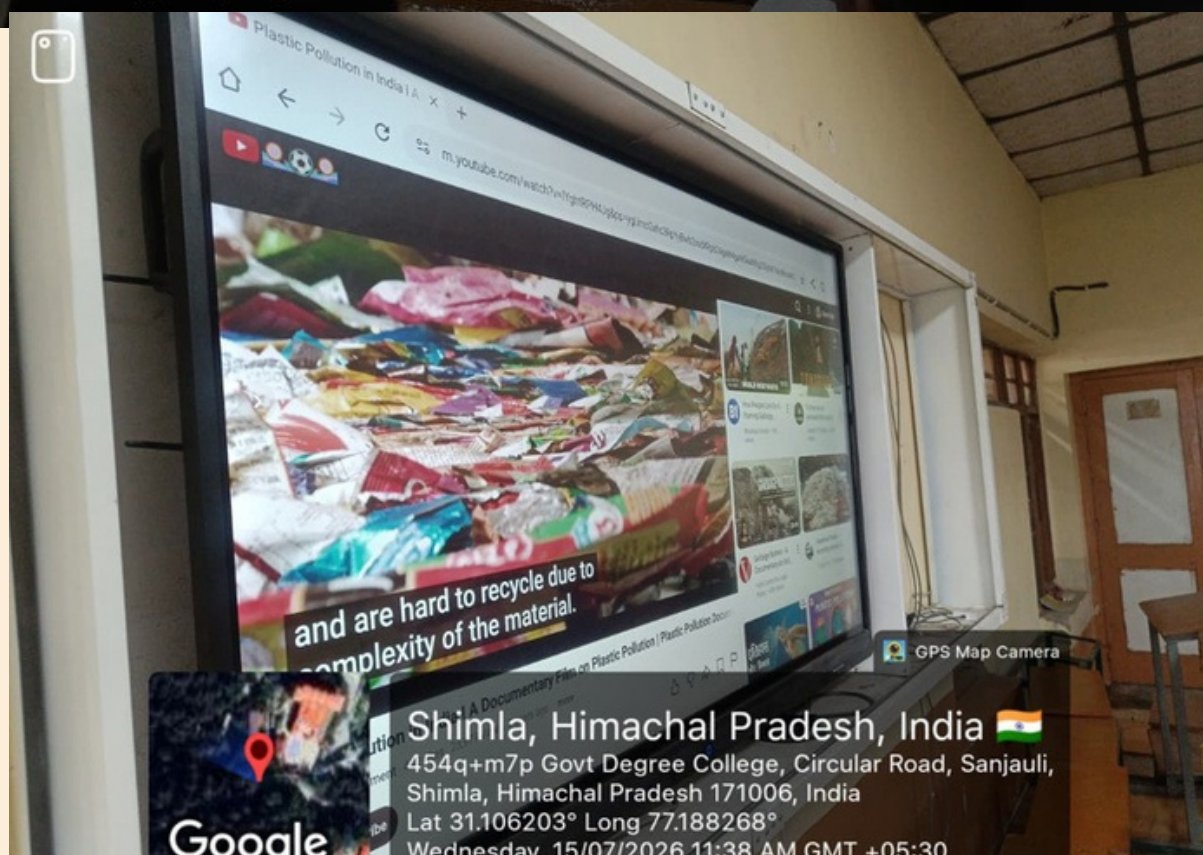

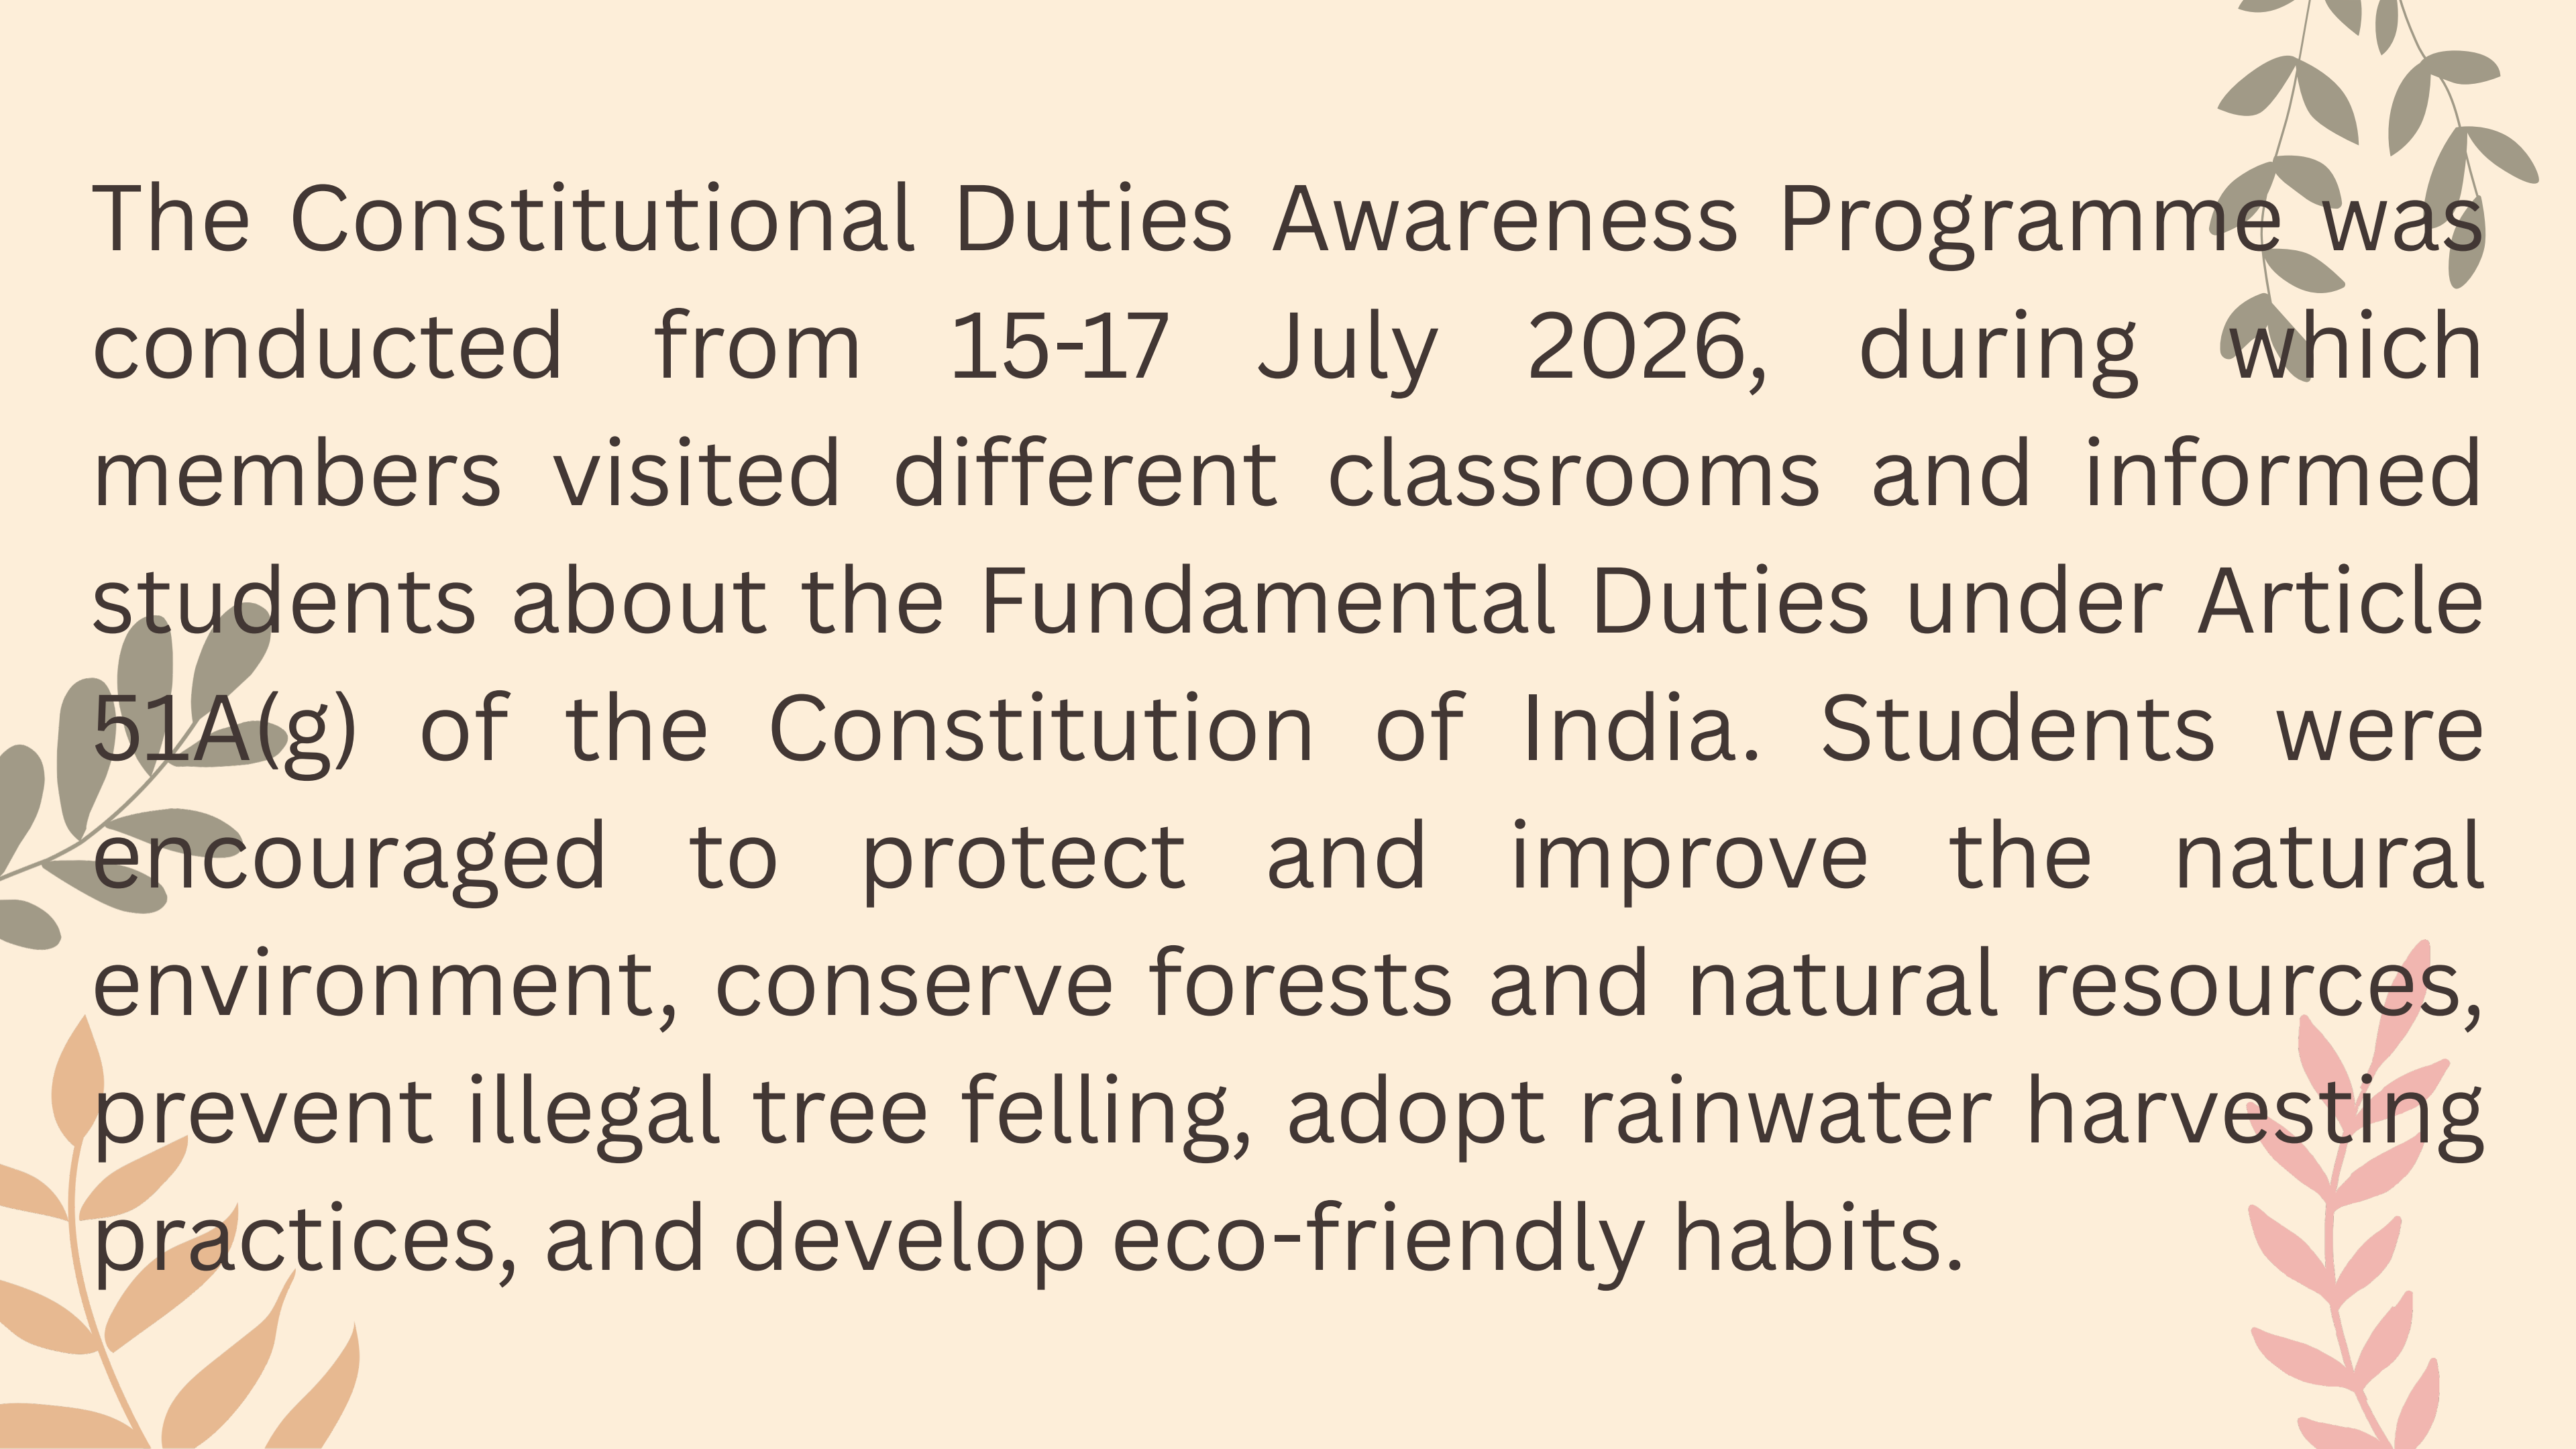

Month-Long Tree Plantation and Environment Protection Drive
(01.07.2026 to 31.07.2026)

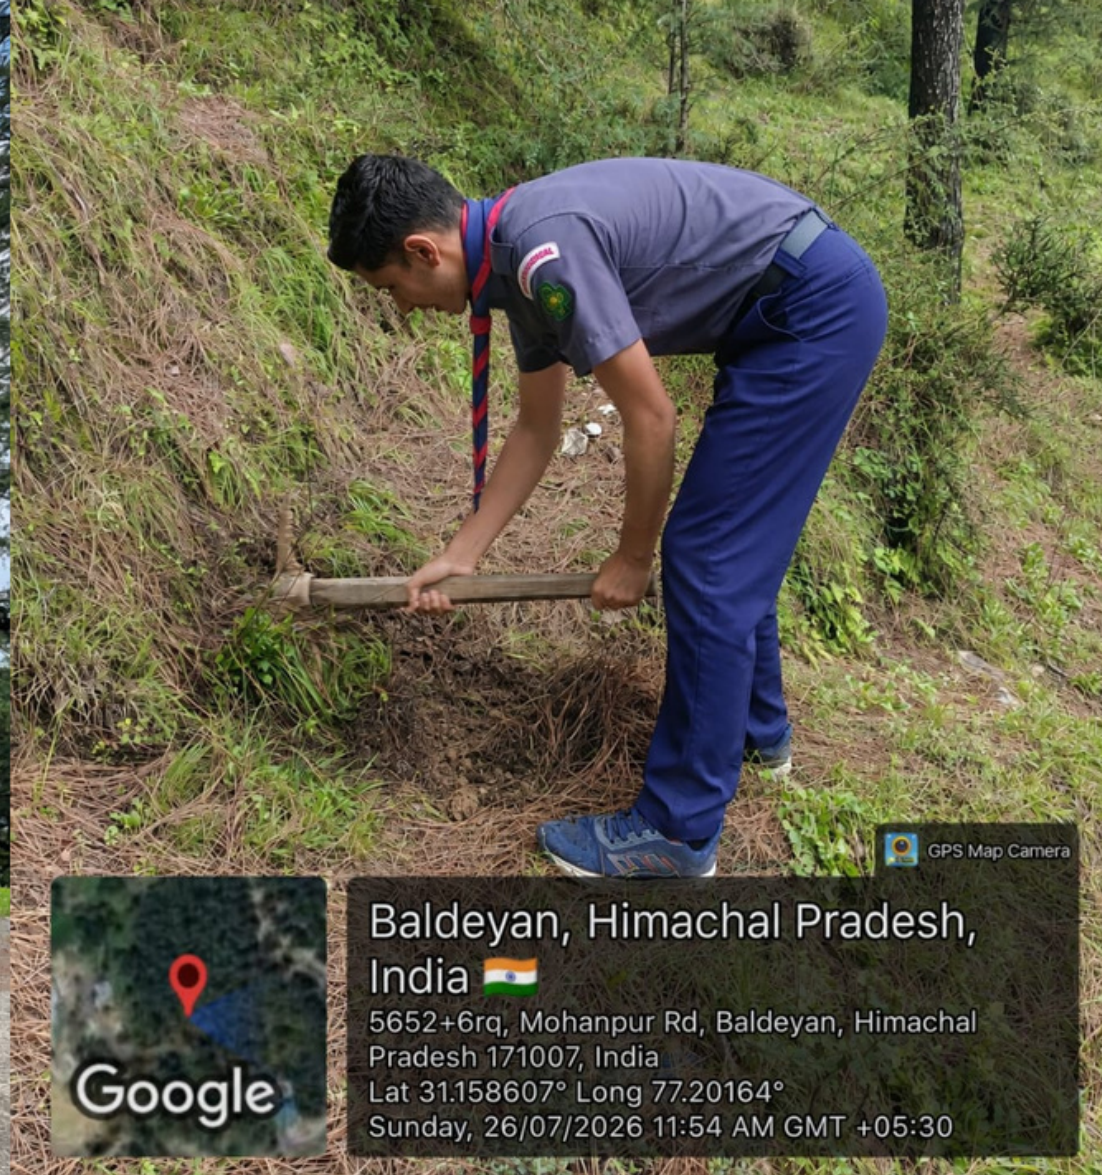

In compliance with the directions of the Directorate of Higher Education, Himachal Pradesh and the District Legal Services Authority (DLSA), Shimla, the BSGHP Sanjauli Unit successfully organised a Constitutional Duties Awareness Programme, Ending Plastic Pollution Awareness Programme, and Tree Plantation Drive during the month-long campaign from 1 July to 31 July 2026.

The Constitutional Duties Awareness Programme was conducted from 15-17 July 2026, during which members visited different classrooms and informed students about the Fundamental Duties under Article 51A(g) of the Constitution of India. Students were encouraged to protect and improve the natural environment, conserve forests and natural resources, prevent illegal tree felling, adopt rainwater harvesting practices, and develop eco-friendly habits.

As part of the awareness campaign, a documentary showcasing the campaign to end plastic pollution was screened to highlight the harmful effects of plastic waste and the importance of reducing single-use plastics. The screening encouraged students to adopt sustainable alternatives and actively participate in environmental conservation.

The Tree Plantation Drive was organised on 26 July 2026 with the active participation of Rovers & Rangers volunteers and students. Saplings were planted in and around the campus to promote greenery and strengthen environmental awareness.

The programme successfully fulfilled the objectives of the Month-Long Tree Plantation and Environment Protection Drive by promoting constitutional values, environmental responsibility, and community participation. It inspired students to contribute towards a cleaner, greener, and more sustainable future.
