August 1, 2026

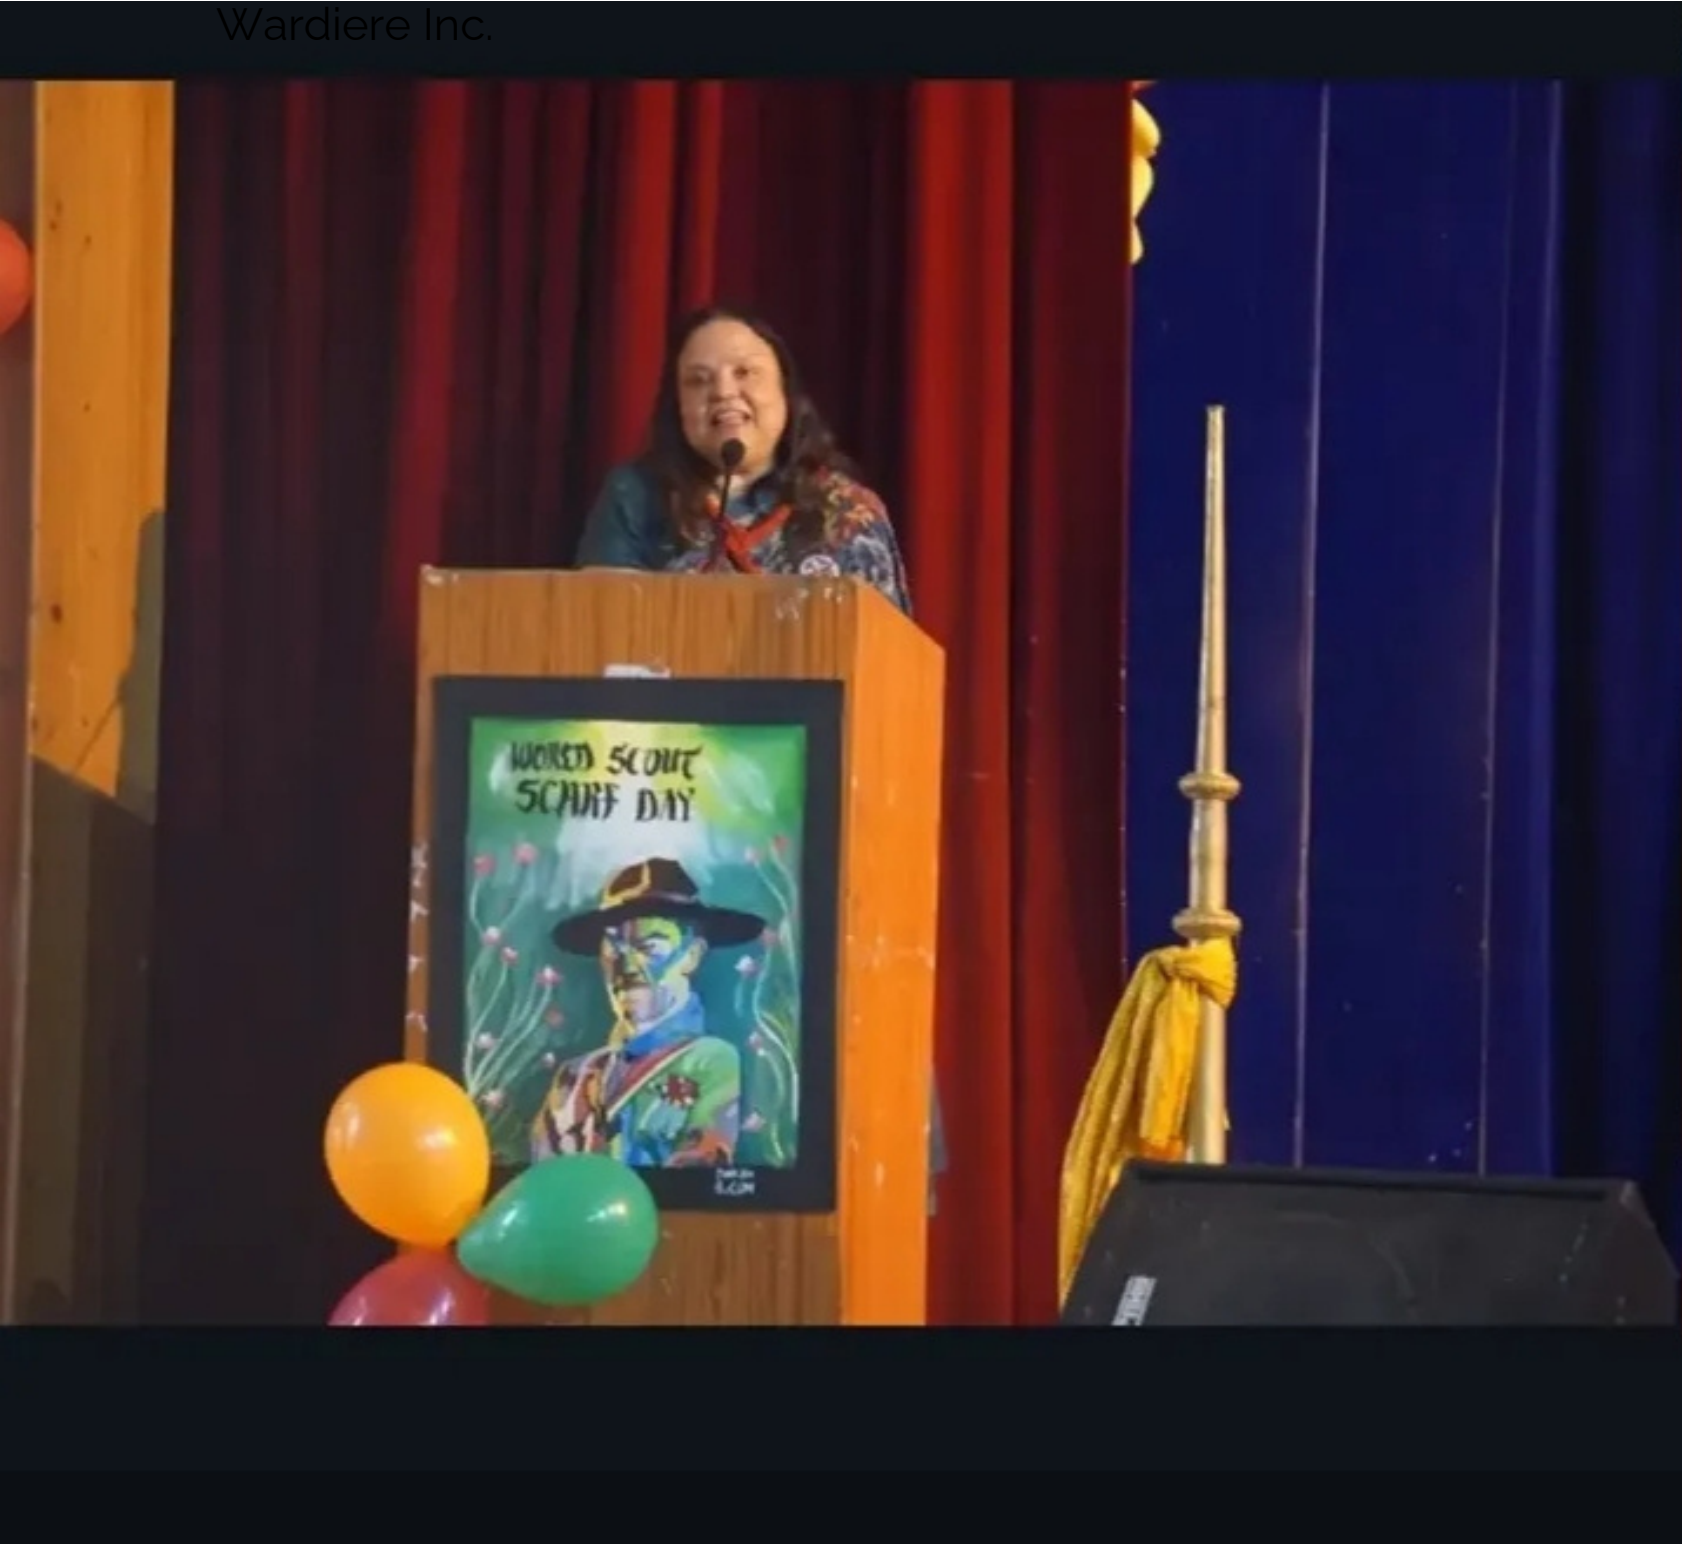

Scout Scarf Day Celebration 2026

BSGHP Sanjauli Unit, Government College
Sanjauli, Shimla

The BSGHP Sanjauli Unit celebrated Scout Scarf Day on 1st August 2026 with great enthusiasm, discipline, and pride in the college auditorium. The programme was organised to honour the significance of the Scout Scarf and to reinforce the ideals of Scouting and Guiding—discipline, service, courage, unity, leadership, and patriotism.

The Chief Guest of the function was Mrs. Bharti Bhagra, Principal, Government College Sanjauli. In her inspiring address, she emphasized that the Scout Scarf is not merely a piece of cloth but a powerful symbol of discipline, service, courage, character, and patriotism. She encouraged students to continue serving society with dedication and integrity and appreciated the efforts of the BSGHP Sanjauli Unit in promoting the values of Scouting and Guiding among young people.

The programme featured a series of cultural performances presented by the Rovers and Rangers, including patriotic songs, dances, and performances reflecting the rich cultural heritage of India. A special highlight of the celebration was the participation of students from Sambhota Tibetan School, who presented a beautiful traditional Tibetan cultural performance. Their presentation showcased the richness of Tibetan heritage and traditions and added colour, diversity, and cultural harmony to the event.

More than 800 students attended the celebration in the auditorium, while around 60 Rovers and Rangers actively participated in the organisation and conduct of the programme. The active involvement of volunteers, faculty members, and guests made the event meaningful and memorable.

The celebration concluded with a vote of thanks presented by Rovers Leader and a renewed pledge by the participants to live by the principles of Scouting and Guiding and to continue contributing to society through service, discipline, leadership, environmental responsibility, and national commitment.

The Scout Scarf Day Celebration 2026 was a grand success and further strengthened the spirit of brotherhood, cultural unity, and community service among the students.

Thank You
