

On (07/09/19) Scientific & Polemic Society screened a movie and discussion on movie named "Chittagong" starring Manoj Bajpayee, Nawazuddin Siddiqui, Rajkummar Rao etc.

The story is set against the backdrop of a little-known saga in 1930s British colonial India's East Bengal where a group of schoolboys and young women, led by a

schoolteacher Masterda Surya Sen, dared to take on the Empire. Chittagong is the story of a diffident 14-year-old boy, Jhunku. Swept up into this seemingly impossible mission, the reluctant teenager battles with self-doubts to achieve an improbable triumph.
