

CENTRE OF EXCELLENCE GOVT. DEGREE COLLEGE SANJAULI

SCIENCE DAY FUNCTION

ORGANIZED BY

CHEMICAL SOCIETY AND DEPARTMENT OF PHYSICS

Chemical Society and Department of Physics

Centre of Excellence Govt. Degree College Sanjauli organized a function on the occasion of national science day on 28th feb 2023 to commemorate the discovery of Raman effect by famous physicist Sir C.V. Raman. The theme for national science day was **Global Science and Global Wellbeing**.

Poster made by department of science were displayed and experiments sharing food adulteration were demonstrated.

Documentary on Fundamentals of Chemistry and life of Dr. C.V. Raman were presented.

Essay writing competition was conducted based on the theme Science Technology and Innovation for National Development.

A Quiz was organized by students and Karki and Rachna were declared as winners.

Respected Principal Sir Dr. CB Mehta motivated the students with his kind words. And B.S Chauhan HOD Physics enlighten the students.

At last Dr. Bharti Sharma HOD Chemistry presented vote of thanks.
