

Cleanliness Drive

On **August 12, 2023**, the Commerce Department at COE Govt. College SANJAULI organized a successful cleanliness drive within the college premises. The initiative was spearheaded by the Head of the Department (HOD) of Commerce, and it received enthusiastic participation from the B. Com students. The event aimed to promote cleanliness and hygiene awareness among the college community while fostering a sense of responsibility towards the environment. The participating students actively engaged in cleaning various areas within the college campus, demonstrating their commitment to maintaining a clean and green environment.

The noteworthy effort put forth by the students did not go unnoticed. Dr. BS Rana, the esteemed Principal of the College, commended and appreciated the dedicated work of the B. Com students and the Commerce Department for their initiative in organizing this cleanliness drive. Such initiatives not only contribute to the beautification of the college but also instil values of cleanliness and responsibility in the minds of the students.

This cleanliness drive stands as a testament to the college's commitment to holistic education and community engagement, encouraging students to take an active role in shaping their surroundings positively.
