

Economics Department hosted an interactive academic event on 24th November 2025. The Principal, Mrs. Bharti Bhagra, inaugurated the programme with a motivating address. Students presented review papers and comparative analyses on key economic issues. A mock budget session enabled practical exposure to policy debates and resource allocation. Global digital payment trends across China, Kenya, and Sweden were discussed. The event emphasized gender equality as a critical driver of economic development. The programme concluded with a cultural segment and the National Anthem.
