

Report on Participation in Six-Day Inter-College Training Programme on Disaster Risk Reduction

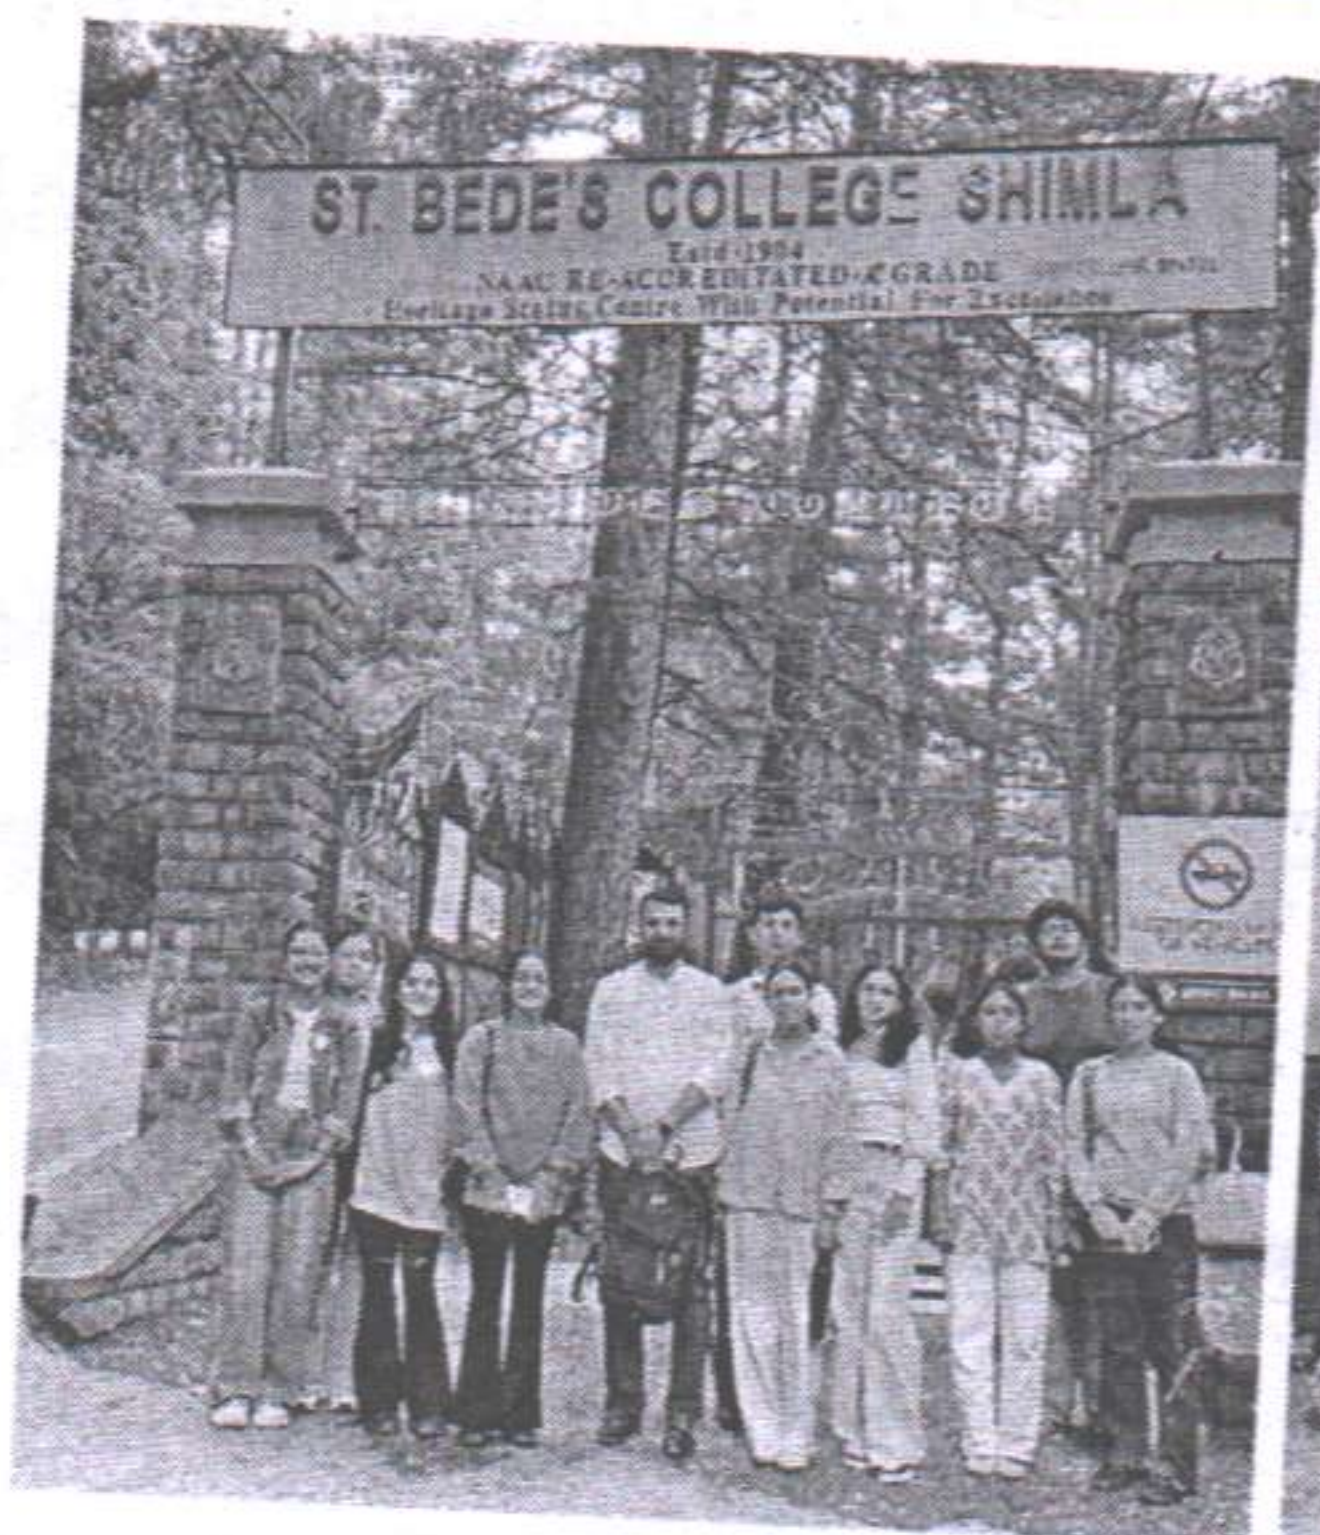

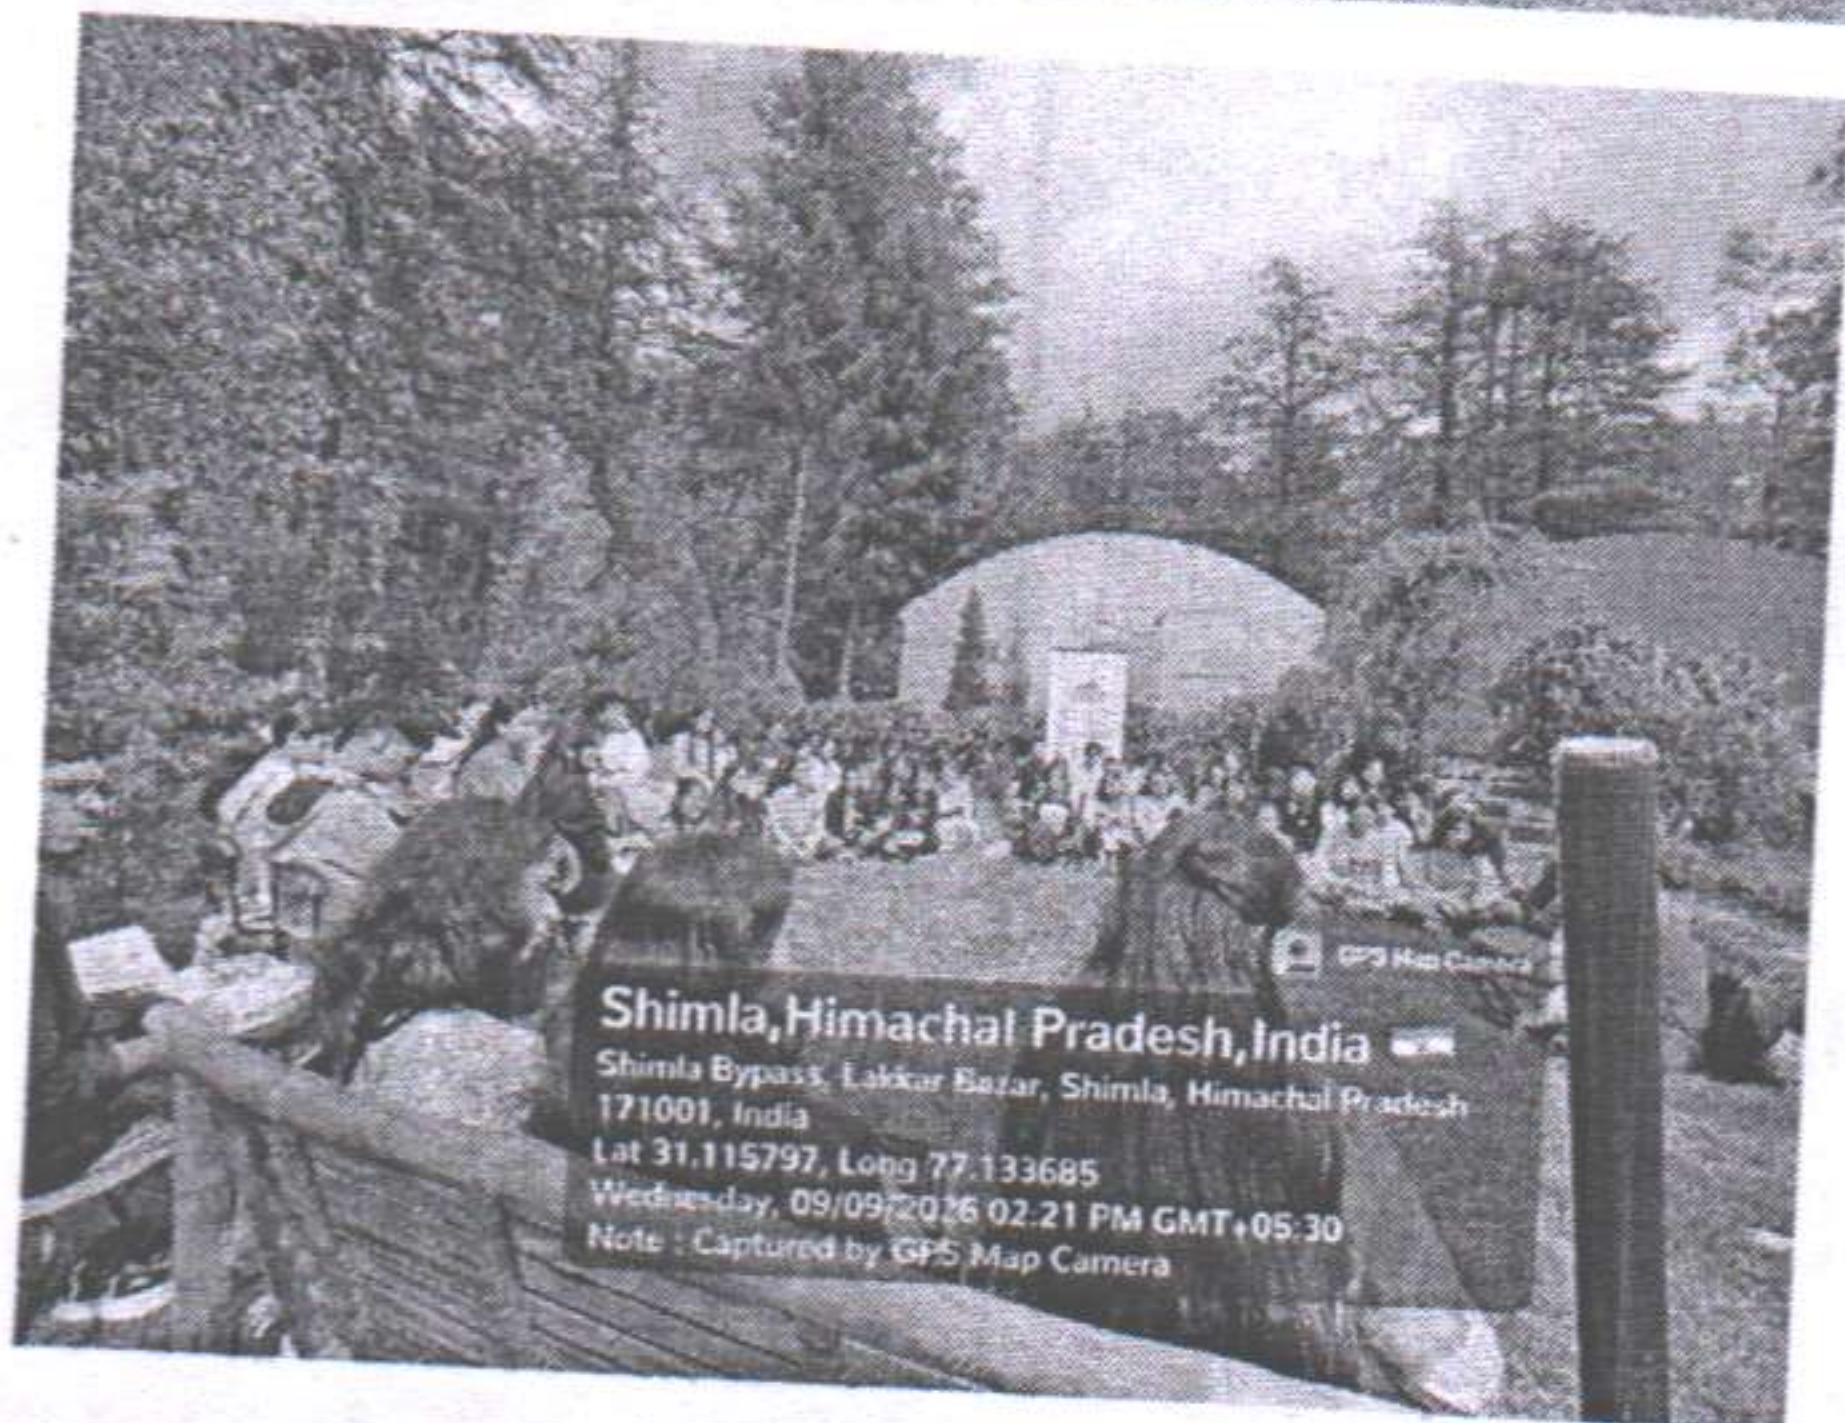

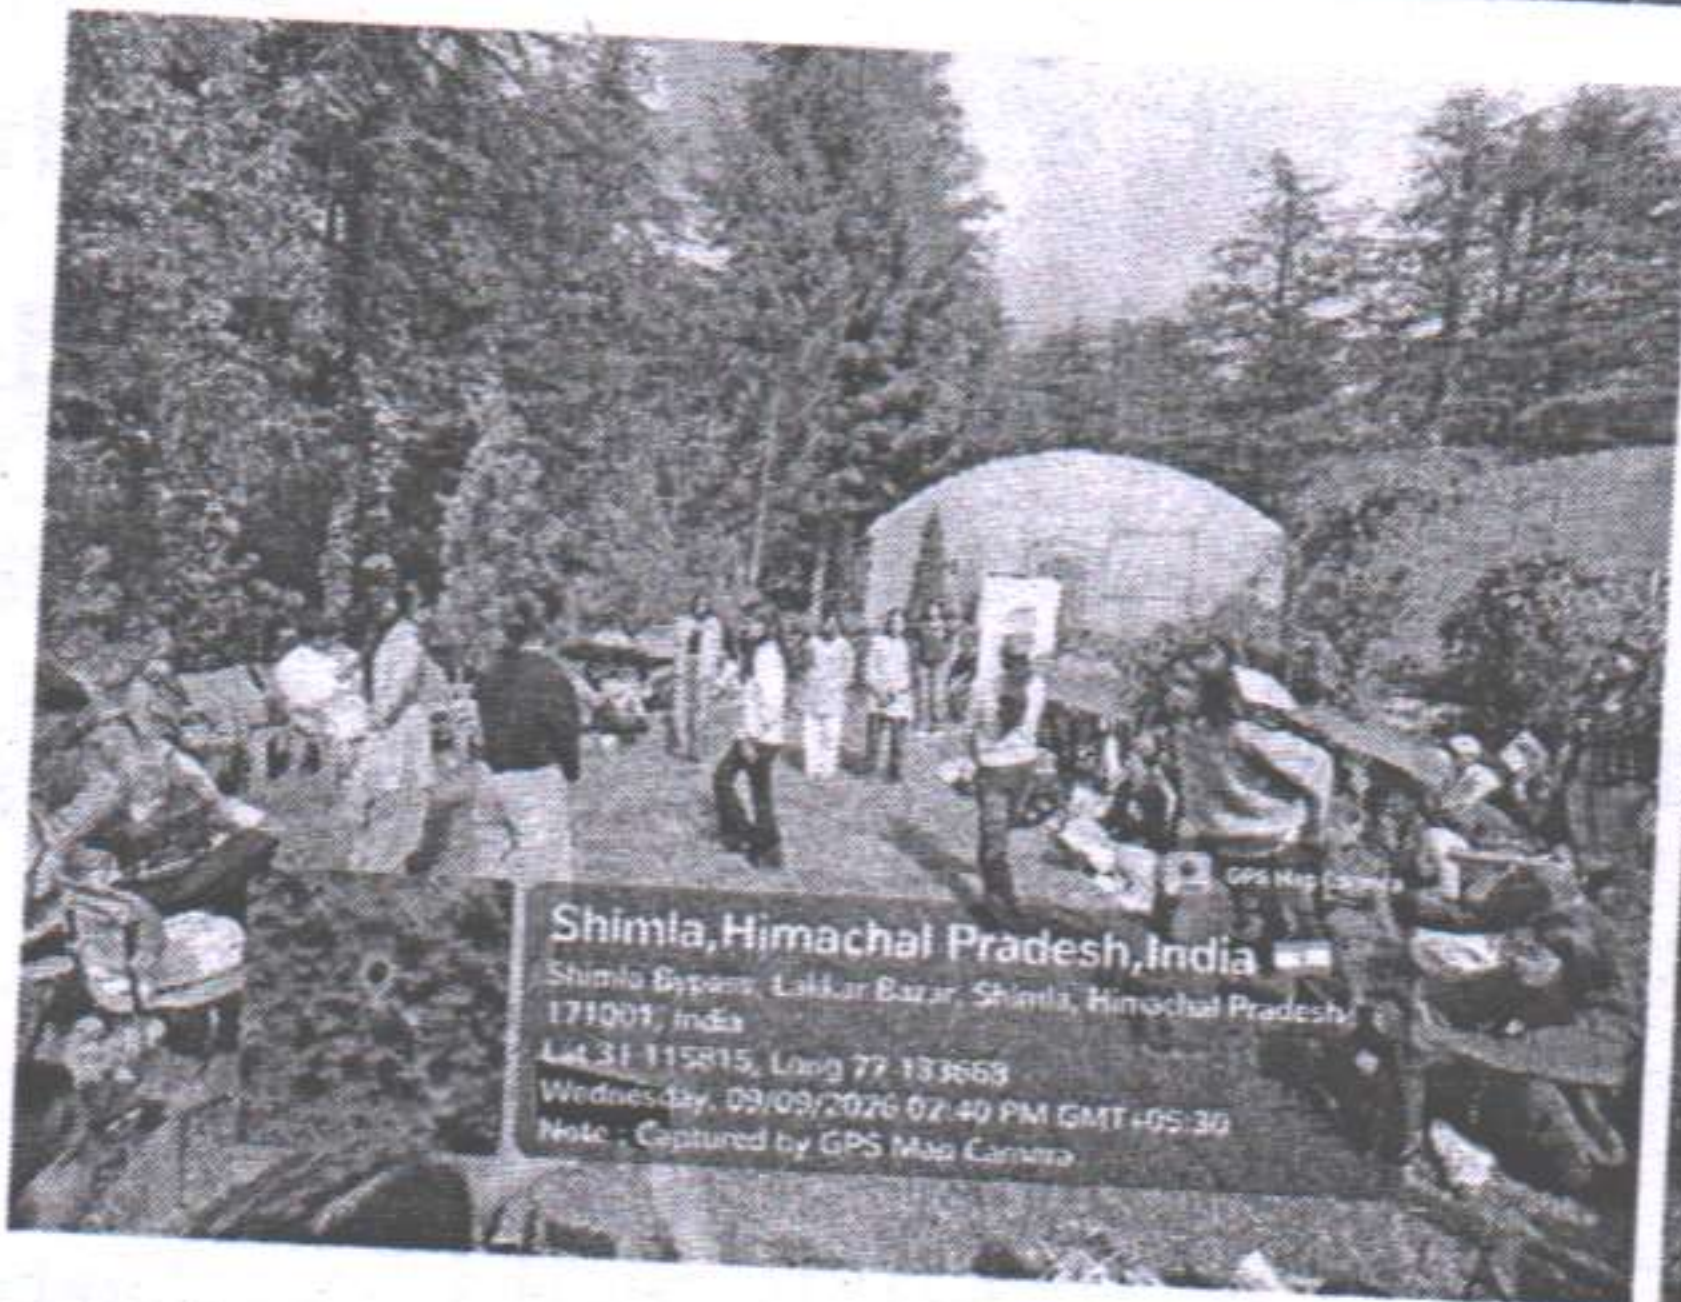

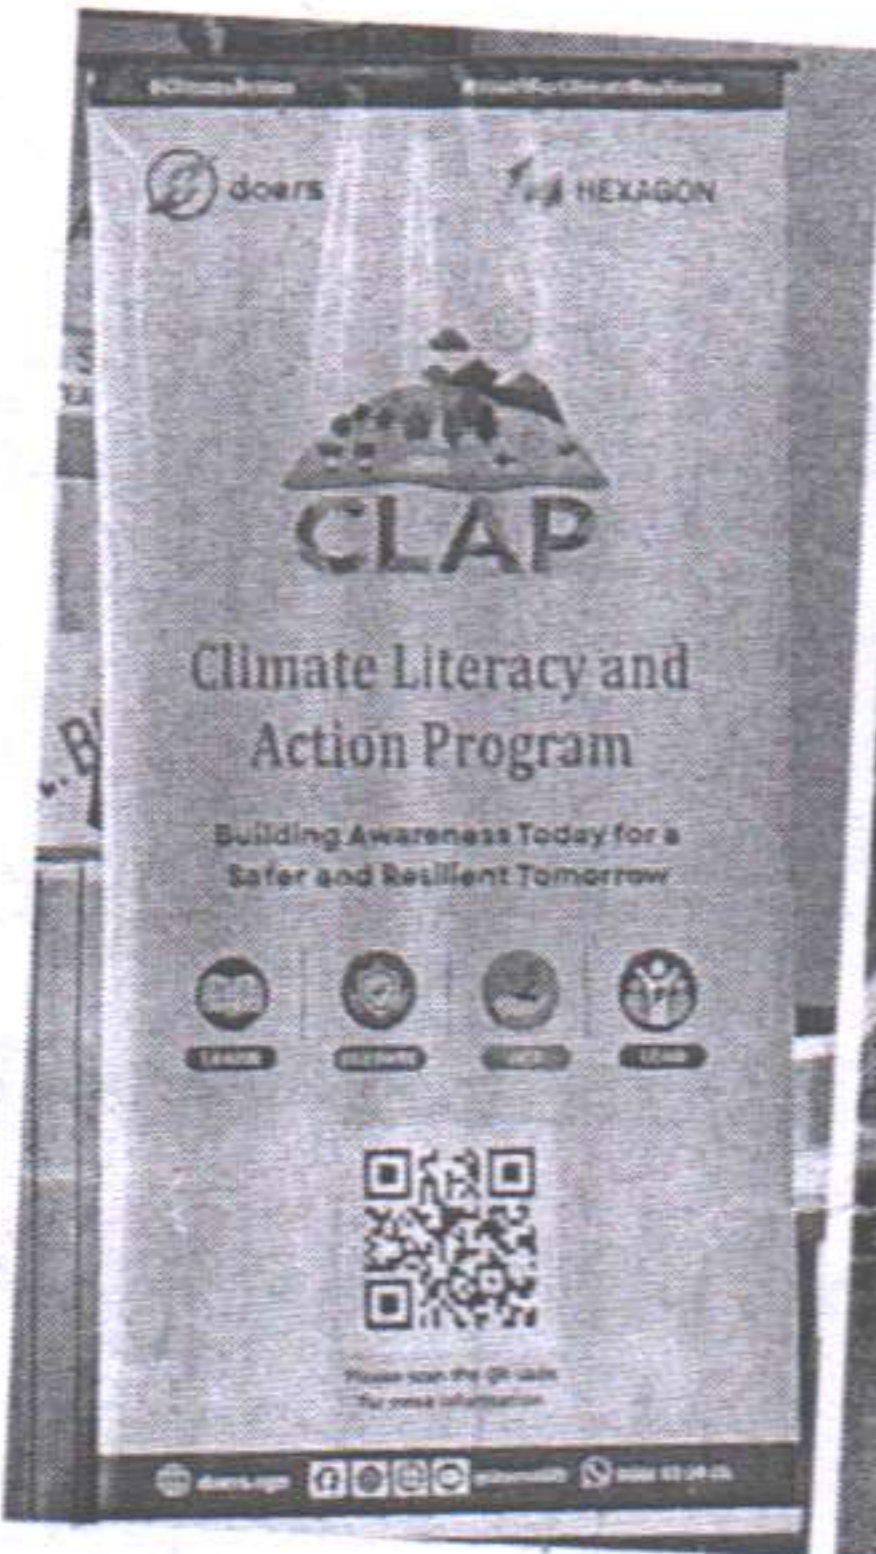

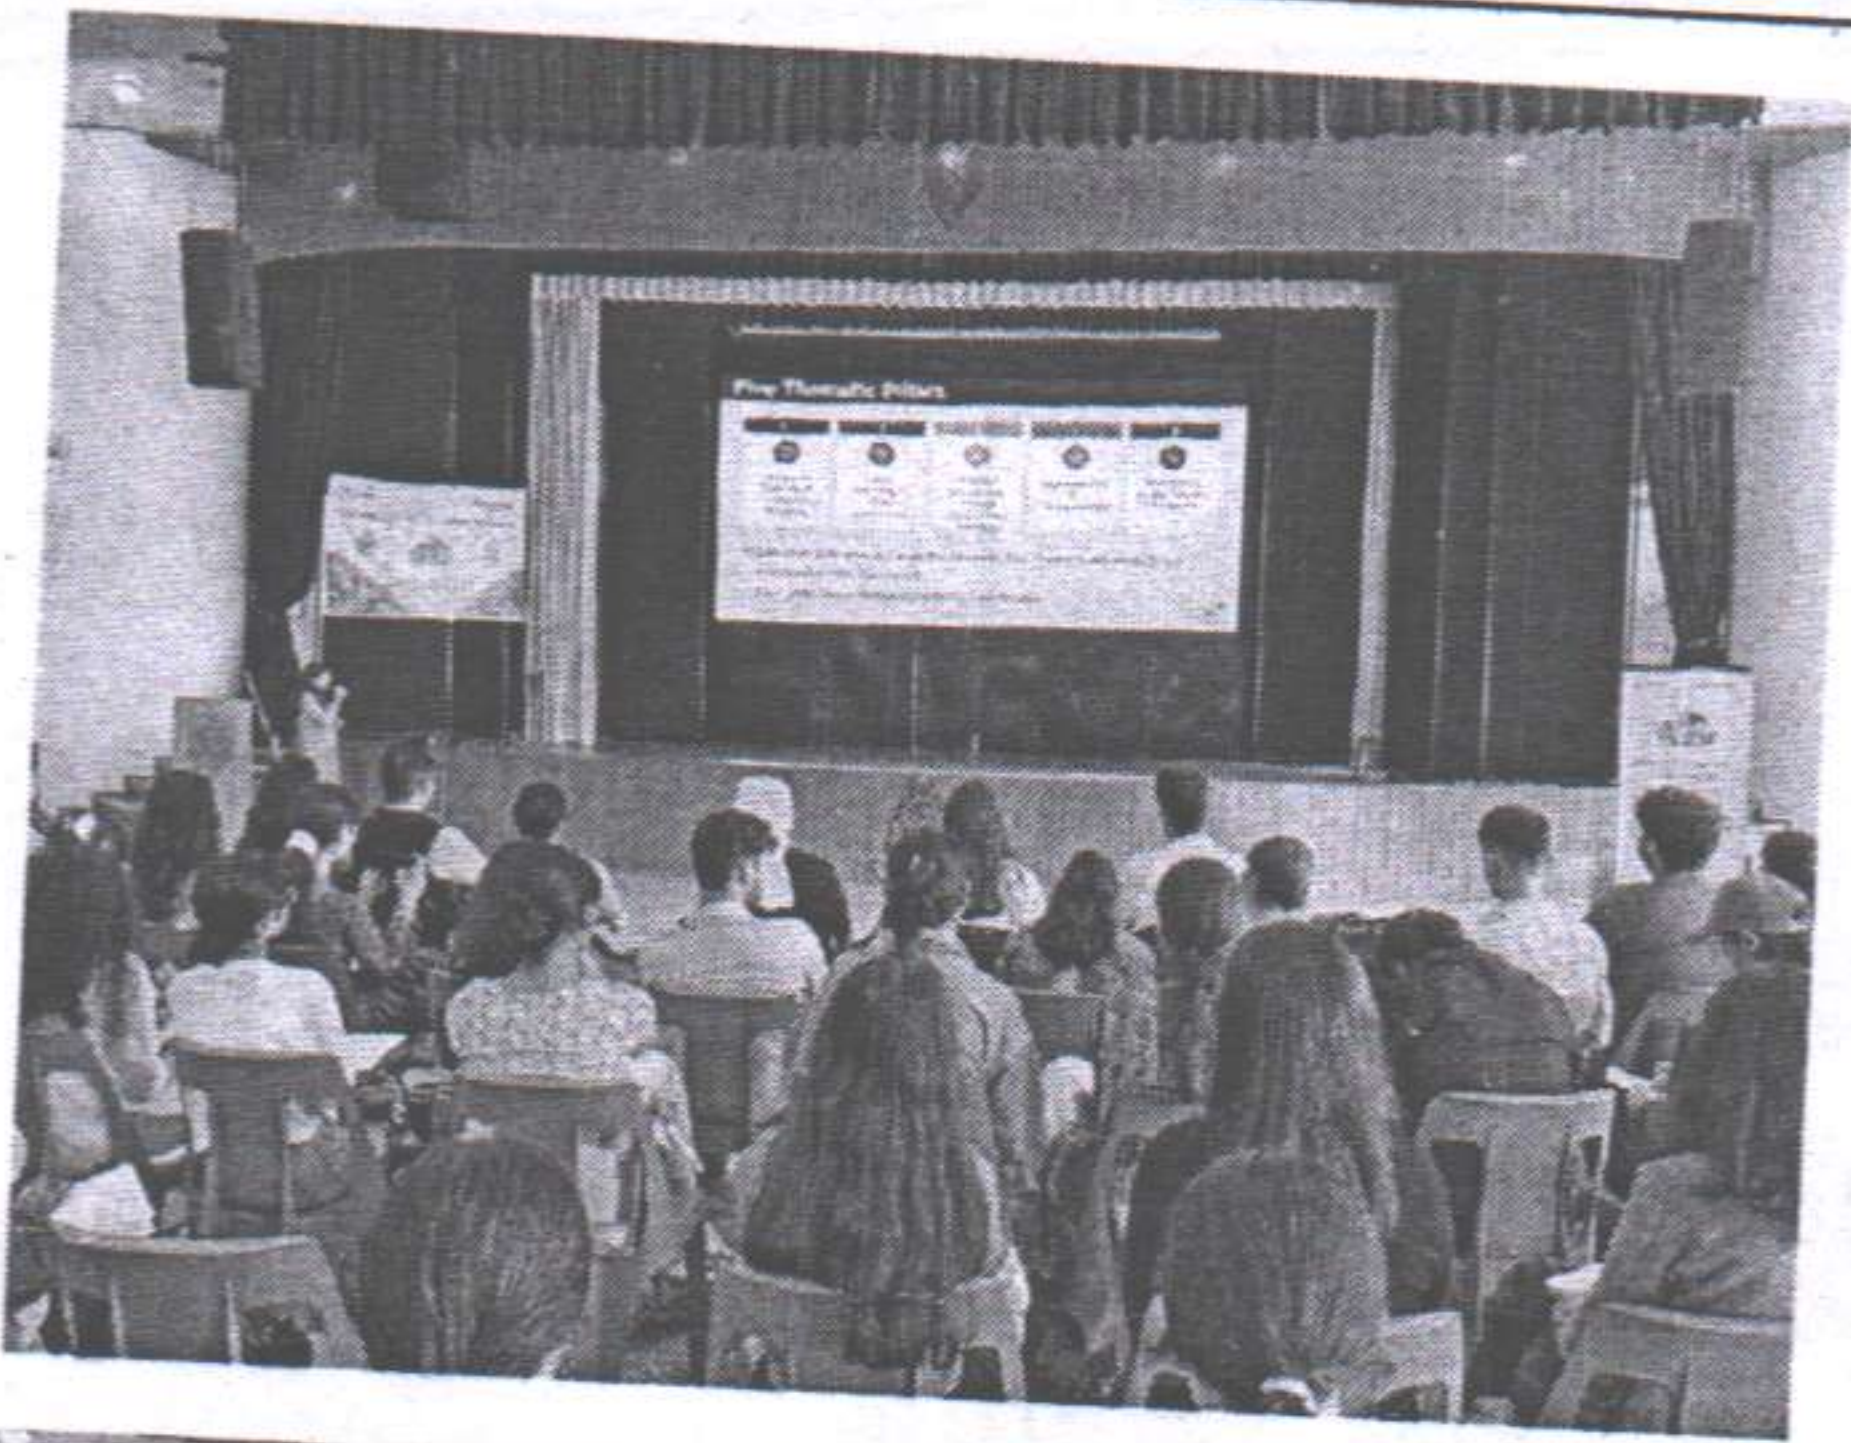

Ten students of Centre of Excellence Government College, Sanjauli, from the **Department of Environmental Science** and NSS, participated in the Six-Day Inter-College Training Programme on Disaster Risk Reduction (Project CLAP) organized at St. Bede's College, Shimla, in collaboration with **doers (NGO)** from 7<sup>th</sup> – 12<sup>th</sup> September 2026. The programme aimed to enhance students understanding of **disaster management, disaster risk reduction, hazard and vulnerability assessment, climate change-related risks, emergency preparedness and response**. The participants attended interactive sessions on Hazard, Risk and Vulnerability Assessment (HRVA) and also carried out field-based observations within the college premises.

As part of the experiential learning activities, students visited the Arboretum at **Summerhill Shimla** and participated in a college-wise DRR Skit Competition, promoting awareness through creative and participatory methods. Sessions on Mental Health and Psychosocial Support in Disasters (MHPSS) helped students understand the social and psychological dimensions of disasters. The programme also included practical demonstrations by the State Disaster Response Force (SDRF) on search and rescue techniques and by the Fire Department on fire safety, use of fire extinguishers and evacuation procedures. Expert sessions by the Doers team and other resource persons further enriched the participants' understanding of disaster preparedness and risk reduction.

The training programme provided students with valuable theoretical knowledge, practical exposure and hands-on learning related to disaster preparedness and emergency response. It also emphasized the important role of students and youth in creating disaster-resilient communities.

The Principal,  
Government College Sanjauli  
Shimla-6

**Subject: Invitation for Participation in Inter-College Capacity Building Programme on Disaster Risk Reduction**

Respected Sir/Madam,

Greetings from **St. Bede's College, Shimla.**

St. Bede's College, in collaboration with **DOERS under Project CLAP (Climate Literacy and Action Programme)**, is organizing an **Inter-College Capacity Building Programme on Disaster Risk Reduction (DRR)** for students and members of college DRR Clubs.

The programme aims to strengthen students' understanding and practical knowledge of **Disaster Risk Reduction, Climate Change, Hazard Risk and Vulnerability Assessment (HRVA), Disaster Preparedness, Emergency Response, Mental Health and Psychosocial Support, and Fire Safety** through interactive sessions, field-based activities, practical demonstrations and peer learning.

We are pleased to invite your esteemed institution to participate in this programme. We request you to kindly nominate interested students/faculty members associated with disaster management, NSS, NCC, DRR Clubs, Scouts & Guides or other relevant institutional activities.

The programme is proposed to be held from **7 September to 12 September 2026** at **St. Bede's College, Shimla**, with selected sessions and field activities conducted in collaboration with relevant experts and agencies.

We believe that participation in this programme will provide students with an opportunity to enhance their disaster preparedness skills, develop leadership and teamwork abilities, and contribute towards building a culture of resilience and safety within their institutions and communities.

We look forward to the active participation and support of your esteemed institution in this initiative.

Kindly confirm the number of students and faculty members participating in this training program by August 30, 2026.

**With regards,**

**Principal**  
St. Bede's College, Shimla

**In collaboration with:**  
**DOERS – Project CLAP**
