Department of Environmental Science
Student Progression (B.Sc. Life Sciences Batch 2023–2026)

Students of the B.Sc. Life Sciences batch (2023–2026) have demonstrated encouraging academic and entrepreneurial progression. Two students, **Neha and Aryan Ramesh Devashish**, have secured admission to the ***M.Sc. Environmental Science*** programme at Himachal Pradesh University, Shimla-171005 (H.P.), for the academic session 2026–2028.

Another student, **Mr. Anmol Sharma**, has emerged as a young entrepreneur by establishing **Anmol Aqua and Power Industries**, a startup focused on water-related solutions. His initiative reflects entrepreneurial spirit, innovation and the practical application of knowledge to address real-world challenges. His achievement is an encouraging example of how students can move beyond conventional career paths and contribute to society through entrepreneurship and self-employment.
