- Some competitive e books should be uploaded on college e library
- Should focus more on library sitting system , data processing system is very poor. Must make educational trips for students to different state for better understanding their society.
- Revision of topics in the class.....
- Make all the topics in syllabus available online  
And focus on application of these topics more...🙏
- Evaluation of acquired knowledge in terms of testing could be better.
- No I have no suggestion
- Lectures should be more interactive
- Make library a litter bigger
