Finance LAB

Today 31st December, 2018, there was an inauguration ceremony of the **Financial Laboratory** in college which was performed by Hon'ble Education Minister, Sh. Suresh Bhardwaj followed up by Dr. Himesh Sharma (director of skill labs), Mr. Shakti Bhushan (state project director), Mr. Siddharth Singh (Channel manager of ICICIDirect.com) and many other

personified professionals in the presence of Prof. C.B. Mehta, the principal of our college.

This laboratory deals with three types of skill learning:-

1. Stock market trading

2. Tally accounting

3. GST return filing

This is the first project that is started in Himachal Pradesh based on the concept of 'earning while learning', which is applicable in foreign universities and now here in India after big B-Schools in our state.

The students take pride in such an opportunity as around 50 students participated in this project.

This training of skill development is a two-month course that is being commenced on 1st January, 2019.

This programme will start in 10 colleges of H.P.

- Under CSR 37 students of Commerce has been enrolled for diff programs under the Finance Lab.
- Tally Software has been installed in the laboratory.
- They are getting practical knowledge of of trading in stock market, filling of GST return getting will versed with Tally.
