Event Highlights

The presentation was divided into five parts, each discussing a different aspect of the issue:

- 1. Historical Background of Bangladesh:** The part emphasised the importance of understanding the historical context of Bangladesh to gain a deep insight into the current crisis.
 - 2. Triggering Causes of the Crisis:** This segment focused on the underlying causes of the Bangladesh crisis, providing a detailed examination of the long-standing issues that have led to the current situation.
 - 3. Recent Events and Student Protests:** The presentation covered the student protests from 2018 to 2024, the reintroduction of the quota system, recent events in 2024, and the targeting of Hindus, highlighting the developments that have contributed to the crisis.
 - 4. Implications for India:** An analysis was provided on how the power shift in Dhaka might impact India, detailing the potential challenges and implications for New Delhi.
 - 5. The Power of Protest:** The presentation concluded by underscoring the significance of democratic values and economic growth, emphasizing that a country's success is closely linked to the power of its people.

An engaging Q&A session

The session concluded with an interactive multiple-choice quiz where participants were quizzed on the key points covered during the presentation. This activity not only reinforced their understanding but also encouraged active participation, allowing everyone to assess their grasp of the topics discussed.

Closing Remarks:

The event was a resounding success, drawing an audience of approximately 200 students. The Principal Madam commended the students for their efforts and contributions. The program was conducted under the guidance of Dr. Poonam Chandel, Head of the Political Science Department, and Assistant Professor Mr. Abhishek Thakur. The presence of esteemed alumni, Kunal Bhardwaj, former President of the Political Science Department, and Tarun Sharma, former Vice President, further enriched the event.
