# Key points discussed

## Journey of the budget in India

The participants ventured on a journey of budget in India.

The presentation began with Aditya who described the budget and the Fiscal Responsibility and Budget Management (FRBM) Act. Following him, Kartik explained the main concepts related to government budget expenditure and revenue. Divya Sharma then highlighted some interesting facts regarding budget.

# Overview of the 2024 budget

- The participants discussed the budget's 2024 main priorities and tax proposals.
- Disha, Deepika, and Piyush shared various images and schemes from the 2024 budget, focusing on its nine priorities and youth employment initiatives. Piyush started by highlighting the 2024 budget, explaining that the budget primarily focusses on 'VIKSIT BHARAT' theme. Disha shared detailed priorities of the 2024 budget and discussed major schemes, emphasizing that infrastructure is the main focus, with the largest portion of our GDP allocated to it. The next participants described the tax proposals, the tax structure, ministry wise allocation of the budget.

# INTERACTIVE EXCHANGE: QUESTIONS-ANSWER SESSION

After the presentation, a quiz session was held. Miss Kavya, a third-year student, engaged the audience by asking questions, ensuring active participation. During the session, multiple-choice questions (MCQs) were displayed on the screen. The audience was asked to choose the correct answer from the options provided. It was a momentous occasion where the audience's engagement resonated with all the participants and club members.

# Conclusion

The event concluded with an impactful speech by our esteemed Principal Ma'am. In her concluding remarks, she expressed her deep appreciation for the efforts put in by the Free Thinkers Club and the Political science. The principal mam also expressed her appreciation for the 1<sup>st</sup> year students, especially praising their confidence and active participation in the presentation. Ma'am acknowledged the dedication and hard work of the organizing teams, recognizing their role in delivering such a well-structured and informative session.

The event not only enhanced the understanding of the budget among the attendees but also strengthened the sense of community within the institution.
