Mrs. Kreety Thakur

(ASST. PROF. DEPARTMENT OF ECONOMICS)

**Topic : Research Synopsis
#How to write a research paper**

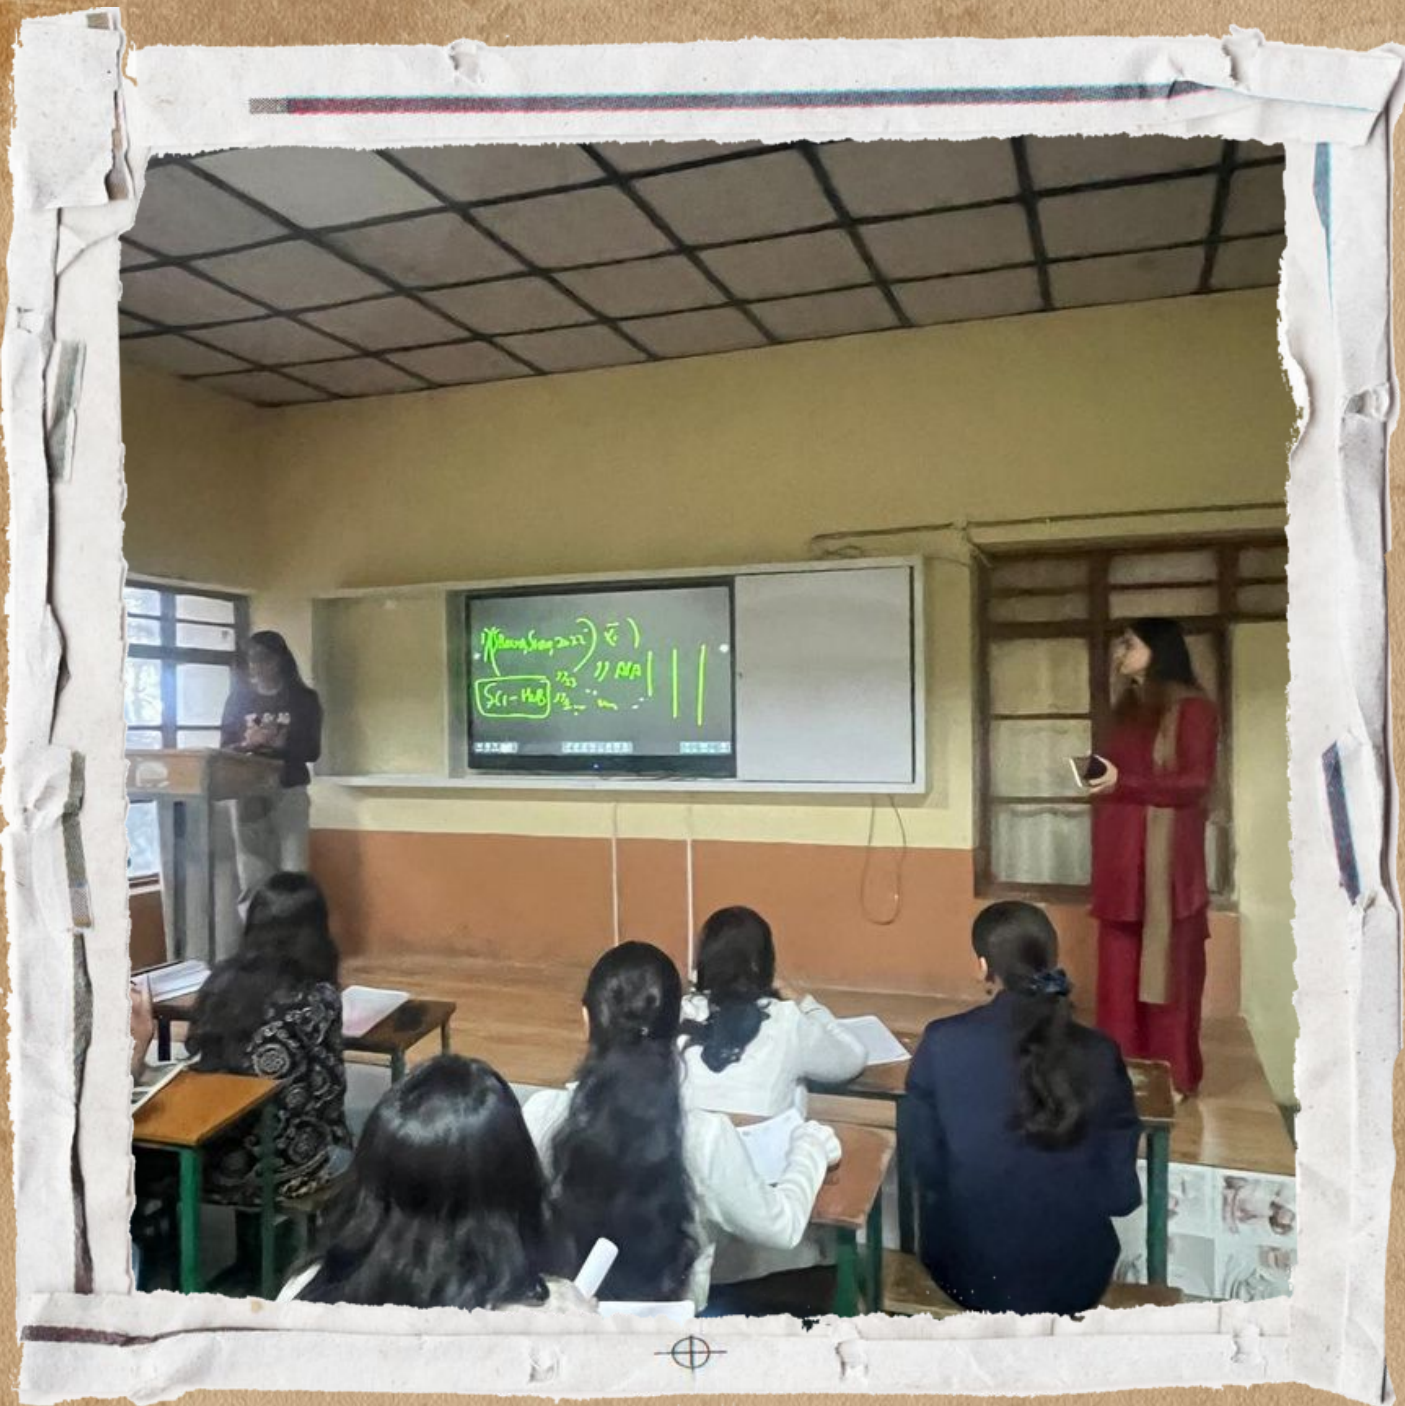

**Date : 17 Sep 2024
Venue : Room no. 10
Time : 03:20pm**

INTRODUCTION

The free thinkers club of the department of political science were ecstatic to host the live interaction engaging session on Topic: " Research Synopsis of #How to write a research paper " on 17th September, 2024.

The Resource Person for the astonishing event was Mrs Kreety Thakur who is currently working as Assistant Professor { Economics } in Government Degree College Sanjauli .

The chief aim of the session was to develop critical thinking and analytical skills. And to helps students engage deeply with a topic, encouraging them to evaluate sources, synthesize information, and articulate their findings clearly.

DETAILED DESCRIPTION OF THE EVENT

Free Thinkers Club , under the guidance of Mrs. Kreety Thakur, organized a highly informative session on "How to Write a Research Paper". The event was attended by 70 students from various disciplines, demonstrating a keen interest in developing their academic writing skills.

Mrs. Kreety Thakur delivered an insightful lecture, focusing on the essential tools and techniques required to write a high-quality research paper. The session covered several key topics, including:

- **Choosing a Research Topic:** The importance of selecting a topic that is both relevant and manageable was emphasized.
- **Research Tools:** Mrs. Kreety Thakur introduced students to various tools and databases useful for conducting literature reviews, gathering data, and organizing sources, including Google Scholar, JSTOR, and Zotero for citation management.
- **Structuring a Paper:** The professor outlined the essential structure of a research paper, including the introduction, literature review, methodology, analysis, and conclusion.
- **Citation and Referencing:** Emphasis was placed on proper citation practices to avoid plagiarism and enhance the credibility of the work.

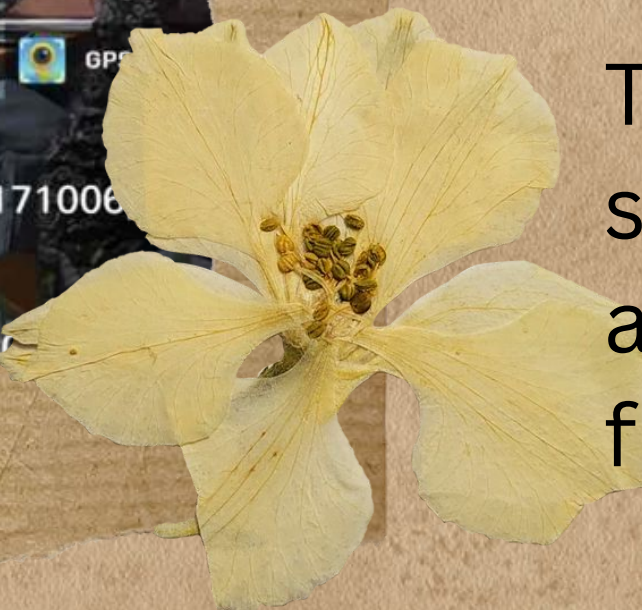

IMPACT

Students were encouraged to take research seriously as it equips them with critical thinking skills, enhances their ability to communicate complex ideas, and prepares them for careers in a wide range of fields.

The session was a great success, with students expressing enthusiasm to apply the techniques discussed in their future research endeavors.
