Subject: Celebration of World Water Day on 22<sup>nd</sup> March, 2023.

Sir,

The EIACP PC-Hub at Himachal Pradesh Council for Science, Technology & Environment (HIMCOSTE), Shimla is the nodal center of Ministry of Environment, Forest & Climate Change, GoI, New Delhi to carry forward the environmental activities such as awareness, capacity building and livelihood generation programmes in the State. Also, as the part of Mission LIFE, EIACP PC-Hub has been organizing various awareness activities on different Important Environmental Days.

In this context, EIACP PC-Hub, HIMCOSTE, Shimla intends to celebrate the World Water Day – 2023 by organizing awareness activities viz. Poster Making Competition and Awareness Lectures for the students of your college on 22<sup>nd</sup> March, 2023 from 12:00 – 1:30 pm.

You are, therefore, kindly requested to associate Dr. Bharti Bhagra, Prof. Deptt. of Geography from your college to make necessary arrangements, participation of 100-150 students from your college to celebrate the World Water Day on 22<sup>nd</sup> March, 2023. The students may be asked to prepare one poster on the theme *water conservation* which they can display for the evaluation by the committee constituted by the college. The tentative schedule of the programme is also attached herewith for your reference please. The expenditure incurred on this programme would be taken care by the HIMCOSTE.

Yours sincerely,

  
(Sat Pal Dhiman)
