

Power Walk

On 9th Dec 2019, the State Commission of Women, in collaboration with the National Commission of Women, organized an event known as the Power Walk to promote gender equality and gender sensitization. The event saw the participation of students from the History Department of Government College Sanjauli along with Vikram Bhardwaj, Assistant Professor.

Event Details The Power Walk was organized in the heart of the city, and it attracted a large crowd of people, including students, teachers, and members of civil society. The event aimed to raise awareness about gender equality and gender sensitization and to sensitize people towards the issue of violence against women.

Participation: Students of GC Sanjauli and Vikram Bhardwaj :

The students of the History Department of Government College Sanjauli participated in the Power Walk with great enthusiasm. They carried placards and banners with slogans and messages supporting gender equality and the empowerment of women. They also distributed pamphlets and brochures to raise awareness about gender issues.

Vikram Bhardwaj, Assistant Professor of the History Department, also participated in the Power Walk. He addressed the gathering and spoke about the importance of gender equality and the need to promote a gender-sensitive society. He emphasized the role of education in creating awareness and promoting gender equality.

The Power Walk organized by the State Commission of Women in collaboration with the National Commission of Women was a great initiative to promote gender equality and gender sensitization. The participation of students from the History Department of Government College Sanjauli and Vikram Bhardwaj, Assistant Professor, was a testament to the commitment of the academic community towards creating a more equal and just society. Such initiatives continue to raise awareness and sensitize people towards issues of gender inequality and violence against women.
