

Report on OSA Engagement and Institutional Impact

The continued engagement of distinguished alumni with Government College Sanjauli reflects the strength and vitality of its Old Students' Association (OSA). The recent participation of esteemed alumni such as **Prof. (Dr.) S.S. Jaswal**, **Mr. Kapil Mohan Gautam**, and **Dr. Anuj Sharma** in academic initiatives at the college is a testament to the deep-rooted bond they maintain with their alma mater. Their return to the institution as mentors, thought leaders, and collaborators highlights the meaningful role the OSA plays in shaping the academic, intellectual, and cultural environment of the college. This active alumni involvement not only reinforces institutional pride and legacy but also contributes significantly to the growth, relevance, and future-readiness of Government College Sanjauli.

The participation of **Prof. (Dr.) S.S. Jaswal**, Professor of Law and Registrar, Himachal Pradesh National Law University (HPNLU), Shimla, **Mr. Kapil Mohan Gautam**, District Attorney (Forest Court), Government of Himachal Pradesh, and **Dr. Anuj Sharma**, Chairperson, Department of Computer Science, Panjab University, Chandigarh in the Faculty Development Programme (FDP) exemplifies the robust and evolving relationship between **Government College Sanjauli** and its **Old Students' Association (OSA)**. Both speakers, as former students of this institution, returned not only as successful professionals but also as passionate contributors to the academic life of their alma mater.

Legacy Meets Leadership

- **Prof. (Dr.) S.S. Jaswal (1983-87), Mr. Kapil Mohan Gautam (1993–1996) and Dr. Anuj Sharma (1994–1997)** are shining examples of the transformative education provided by GC Sanjauli. Their presence reaffirms the institution's role in producing professionals who continue to serve society with dedication and intellect.
- Their sessions were conducted with deep personal conviction and institutional pride, setting an inspirational example for faculty, students, and junior alumni.

Reinforcing OSA's Developmental Role

- The OSA's involvement in this FDP is a powerful indicator that the alumni network is not merely ceremonial but actively involved in the college's academic and institutional development.
- Their contributions were not limited to lectures but extended to offering mentorship, collaboration proposals, and continued academic partnerships.
- Their insights also contributed directly to institutional planning by suggesting future workshops, collaborative research, and AI-driven pedagogical innovations.

Knowledge Transfer, Institutional Growth, and Emotional Reconnection

- Through these engagements, GC Sanjauli has benefited from high-level knowledge transfer on legal reforms and technological advancements, directly impacting faculty capacity-building.
- The alumni's return has also emotionally reconnected the community, reinforcing a culture of gratitude, pride, and collective progress.
- Their offer to assist in establishing specialized cells, including legal awareness and AI integration units, strengthens the institution's resolve to remain future-ready and socially responsible.

Detailed Contribution of Alumni Resource Persons

Day 2, 13th May 2025

The FDP was inaugurated by **Prof. (Dr.) S.S. Jaswal**, Professor of Law and Registrar, Himachal Pradesh National Law University (HPNLU), Shimla, who delivered the opening session on:

Topics:

Publication and Research Ethics

Dr. Jaswal underscored the foundational principles of **academic honesty**, the dangers of **plagiarism**, and the necessity for strong **institutional frameworks** to uphold ethical research standards. Drawing on national and international examples, UGC norms, and COPE (Committee on Publication Ethics) guidelines, his address provided a sobering yet inspiring call for ethical vigilance across departments.

His session also emphasized:

- The mentorship duties of faculty,
- Responsibilities of editors and reviewers, and
- The long-term value of integrity in building academic credibility.

Day 3 & 4 – 14th and 15th May 2025

Topics:

- *POCSO Act and Its Different Dimensions*
- *NDPS Act and Its Social Impact*

Resource Person: *Mr. Kapil Mohan Gautam*, District Attorney (Forest Court), Government of Himachal Pradesh

Mr. Kapil Mohan Gautam, an eminent legal professional and a proud alumnus of Government College Sanjauli (Batch of 1993–1996, B.Sc. Non-Medical), led the sessions on two significant topics affecting society and educational environments.

- On **14th May**, Mr. Gautam provided a detailed and sensitive overview of the **Protection of Children from Sexual Offences (POCSO) Act**, highlighting its evolution, key provisions, and the responsibilities it places on educators and institutions.
- On **15th May**, he explored the **Narcotic Drugs and Psychotropic Substances (NDPS) Act**, emphasizing its legal framework and the broader social impact of substance abuse, particularly within the student community.

Both sessions were delivered with clarity, legal insight, and deep compassion—offering faculty members practical guidance and institutional responsibilities in these critical areas.

Day 5 & 6 – 16th and 17th May 2025

Topics:

- *Introduction to Artificial Intelligence and Machine Learning*
- *AI in Teaching and Learning*

Resource Person: *Dr. Anuj Sharma*, Chairperson, Department of Computer Science, Panjab University, Chandigarh

Dr. Anuj Sharma, a leading computer scientist and alumnus of Government College Sanjauli (Batch of 1994–1997, B.Sc. Non-Medical), brought a forward-looking perspective on AI in education.

- On **16th May**, he introduced key AI and Machine Learning concepts in an accessible way, equipping faculty with foundational knowledge of emerging technologies.
- On **17th May**, Dr. Sharma focused on AI-driven teaching tools such as smart content generators, virtual assistants, adaptive assessments, and personalized learning pathways—demonstrating practical applications for classroom use.

His sessions were lauded for their clarity, relevance, and interactivity, bridging the gap between theoretical innovation and pedagogical practice.

Conclusion

The sessions delivered by Prof. (Dr.) S.S. Jaswal, Mr. Kapil Mohan Gautam, and Dr. Anuj Sharma, were not only pedagogically enriching but also **symbolically significant**. They reflect the **active and meaningful engagement** of the Old Students' Association of Government College Sanjauli in shaping the institution's intellectual trajectory.

This Faculty Development Programme has thus set a **new benchmark in alumni-driven academic collaboration**, reaffirming the strength of GC Sanjauli's alumni network as a **pillar of excellence, mentorship, and institutional renewal**.
