

# Department of Music

## Departmental Activities

Music is a very integral part of our life no one can even imagine his or her life without music. Music stays with us right from our birth till our death. It's challenging to truly describe music in words, but we can say that "Music expresses that which cannot be put into words and that which cannot remain silent. Music has no linguistic barriers and it is understood by everyone. The music department of our college is very meritorious with a pair of highly qualified professors. The department has produced some captivating musicologists and presently the department is having a bunch of transcendent students.

Every function in the college commences with the priceless and overwhelming help of the music department.

There are many competitions in which students of the music department represented the college and brought laurels to the institution. Some of the major achievements are mentioned below.
