REPORT

INDEPENDENCE DAY PARADE

15 Aug 2024

Independence Day Parade (IDP) is a comprehensive program designed to foster self-reliance, discipline, and leadership skills in young individuals. By focusing on drill training, IDP aims to empower youth to become confident, responsible, and active members of their communities.

IDP is a structured program that combines physical drill training with character development and community service. The program is tailored to meet the unique needs of young people, helping them build essential life skills, teamwork, and communication.

On 15 Aug all selected NCC Cadets of different colleges were on The Ridge Road by 10:00 a.m. and honoured chief guest **MUKESH AGNIHOTRI (deputy cm)** also arrived by 11:00 a.m. After that the event started by drill by cadets. We were honoured after performing in front of our deputy cm. Drill was followed by cultural activities (dance, skits, etc.) performed very beautifully by young talented students. There was a painting competition too. We were then blessed by a speech from our honoured chief guest in which he encouraged the youth by his words and the event ended successfully.
