*A Report*

**Cyber Security Awareness**

Date: 24/08/2024

## Introduction:

The NSS Unit of Government College Sanjauli conducted a one day awareness campaign on “Cyber Security” under the *Initiatives for 100 Days* of the Regional Directorate Chandigarh. There were fifteen volunteers participated in this campaign.

The slogan “Hume Jaankari Hai Hum Surakshit Hain” was prominated to raise awareness about online scams , especially among young learners.

## Objectives:

The primary objectives of the NSS Unit’s participation in this Campaign were:

1. To educate students about the importance of cyber security.
2. To share practical tips on safe internet usage and protection of personal information.
3. To empower school children to identify and avoid online threats.
4. To aware about Digital Arrest Scam.
5. To promote safe online behaviour.
6. To empower students so that they can also aware their family and friends.
7. Efficient use of AI Tools and social media for their study purpose.

## About Campaign:

The program was held at Government Primary School Sanhog (Summer Hill), where NSS volunteers engaged with students through an interactive session. During the program, teachers were also made aware of the importance of paying attention to online scams and educating their surroundings about cyber safety.

Key topics covered during the session included:

- Social engineering,
- Financial frauds using social media platforms,
- Cyber safety tips for children, parents, and women,
- Password safety, risks of sharing personal data, and the dangers of cyberbullying.

Volunteers used simple and relatable examples to make these concepts easy to understand. Additionally, information was provided on immediate actions to take after falling victim to an online scam and the recovery steps that should follow.

To further support the session, volunteers distributed pamphlets containing essential guidelines and tips for cyber safety. These pamphlets served as valuable resources for students and teachers, reinforcing the knowledge shared during the session. In this session one of our NSS volunteer gave the presentation about the online scam which is happening through fake links (URLs), WhastsApp messages and fraud calls so that students can easily know about these types of frauds . NSS volunteers encouraged students to use strong passwords,keep software up to date and being cautious when clicking on links or downloading attachments.

The students actively participated by asking questions and sharing their personal experiences, making the session both lively and impactful.

## Conclusion:

The Cyber Security Awareness Program successfully achieved its objectives by educating young students on the importance of online safety. The activity not only enhanced their understanding of cyber security but also encouraged them to adopt safe practices in their daily digital interactions. The event was a testament to the NSS Unit's commitment to serving the community and promoting awareness about critical issues in today's world.

## Acknowledgments:

We express our gratitude to the school authorities, and their students NSS Program Officers, and all the NSS volunteers who worked tirelessly to make this campaign a success. The school authorities encourage our NSS volunteers to keep doing these types of campaigns so that the students will get more aware.
