International Youth Day 2025

Date: 12/08/2025

Introduction:

International Youth Day is observed every year on 12 August to recognise the energy, ideas and contribution of young people in building society. On 12 August 2025, the NSS Unit of Centre of Excellence Government College Sanjauli, Shimla-06, participated in the celebration of International Youth Day 2025 with the message "#YouthDay #BeTheChange". NSS volunteers of the college, dressed in their blazers and caps, attended the programme along with a large gathering of youth.

Objectives:

The primary objectives of participating in International Youth Day were:

1. To recognise the role of young people as agents of positive change in society.
2. To encourage youth to take responsibility and contribute towards community development.
3. To promote the NSS spirit of service, discipline and leadership among volunteers.
4. To provide a platform for youth to interact, learn and share ideas with one another.
5. To inspire students to "Be the Change" in their own surroundings.

About the Celebration:

The NSS volunteers of GC Sanjauli took part in the programme with great enthusiasm and discipline. The event brought together a large number of young participants, many of them wearing red caps, who gathered under a spacious tent to be a part of the celebration. The volunteers actively participated in the proceedings and also posed for group photographs in front of the International Youth Day 2025 banner, spreading the message of #YouthDay and #BeTheChange.

Impact:

The programme gave the volunteers an opportunity to be a part of a larger youth gathering and to understand the importance of youth participation in nation building. It strengthened their sense of unity, discipline and responsibility, and motivated them to carry the message of positive change back to their college and community.
