*A Report*

**World Environment Day 2024**

Date: 05/06/2024

- **Introduction:** To commemorate World Environment Day, the NSS unit of Govt. College Sanjauli collaborated with GSSS Sanjauli to organize a series of activities aimed at spreading awareness about environmental conservation among school children. The event brought together students, teachers, and volunteers in a joyful celebration of our planet while emphasizing the importance of protecting the environment. More than 80 volunteers participated in the activity through online and offline modes.

- **Awareness Rally:** The day began with a vibrant rally organized by NSS volunteers, where over 200 school children participated enthusiastically. Holding banners and placards with slogans like "Save the Earth," "Plant More Trees," and "Reduce, Reuse, Recycle," the children, along with volunteers, marched through the streets surrounding the school. The rally aimed to draw attention to key environmental issues such as pollution, deforestation, and the need for sustainable living practices. It was an eye-catching event that engaged the local community, with residents and passers-by showing support.

- **Competitions:** To make the event more engaging, various environment-themed competitions were organized for the school children. These competitions included:

- **\*Poster Making Competition:** \* Participants were asked to depict environmental themes such as pollution control, wildlife conservation, and green energy through art. The creativity of the children shone through in their vibrant and impactful posters.

- **\*Quiz Competition:** \* A fun and educational quiz was organized where students answered questions related to the environment, natural resources, and sustainable living. It helped increase awareness and fostered a healthy spirit of competition among the participants.

- **Conclusion:** The celebration of Environment Day by NSS volunteers with school children was a resounding success. The event not only raised awareness about critical environmental issues but also engaged young minds in activities that encouraged them to take action for the betterment of the planet. The rally, tree plantation, and competitions collectively instilled a sense of environmental stewardship in the children. The NSS volunteers played a crucial role in organizing the event, mentoring the children, and promoting the message of sustainability.

This initiative marked a positive step towards creating a generation that is conscious of its role in protecting the environment, ensuring that the future of the planet is in responsible hands.
