

*Capturing Excellence: Drone Photography and Videography for
NAAC A+ Accreditation Celebration*

In celebration of our college's remarkable achievement of attaining NAAC A+ accreditation, on 18th November 2023, CoE, GC Sanjauli organised a “**Dham (Lunch) and DJ Party**” for the college students. On this occasion, the Photography Club orchestrated an awe-inspiring drone photography and videography activity to enhance skills in the member of photography club. With meticulous planning and skilled execution, the club captured stunning aerial views of our campus, showcasing its architectural grandeur, lush greenery, and vibrant academic ambiance. The captured visuals served as a testament to our institution's commitment to excellence and academic advancement, encapsulating the essence of this prestigious accreditation.

Through this innovative initiative, the Photography Club not only immortalized the significance of our college's achievement but also fostered a sense of pride and unity within the college community. The immersive aerial footage and cinematic representations not only celebrated our success but also highlighted the collective spirit and shared values that define our institution. This activity exemplifies the power of visual storytelling in commemorating milestones and inspiring greater achievements in the future, leaving a lasting impact on all who were privileged to witness it.

Participated students:

1. Pratham (PGDCA)
2. Anmol (B.Sc. 1st year)
3. Anikesh (BA 1st year)
