

Report on My Campus Through my Lens

Photography Club

The CoE, GC Sanjauli, Shimla-6, Photography Club successfully organized a captivating and exhilarating photography activity on 07/10/2023 at our college campus. The event aimed to encourage and showcase the creative talent of our college students, providing them with a platform to express their artistic vision through the lens of a camera.

The Theme of event: "My Campus Through my Lens".

It provided a fantastic platform for students to showcase their photography skills and artistic perspectives. The event's success would not have been possible without the enthusiastic participation of students, the dedicated efforts of the Photography Club, and the support of our college community.

We look forward to future photography events and opportunities to nurture and celebrate the talent within our college campus.
