

IIT JAM Coaching Classes: 2022-23

The Department of Physics at GC Sanjauli conducted an all-encompassing guidance program meticulously tailored for competitive examinations, with a central emphasis on meticulously preparing students for the IIT JAM. Spearheaded by the esteemed faculty members, Dr. Kirti Singha and Mr. Anuj Sharma, this initiative was strategically designed to provide adept guidance and unwavering support to students embarking on the challenging journey of the IIT JAM Examination.

A total of 16 students enthusiastically participated in these specialized classes. Within this, a remarkable achievement unfolded as 01 students emerged triumphant in the rigorous IIT JAM examination. Additionally, the impact of this endeavor was vividly demonstrated through 07 students who secured coveted admissions into Master in Physics programs at esteemed state and out of state universities. This resounding success stands as a testament to the unparalleled guidance and tutelage imparted by the dedicated faculty members.

The year-round sessions conducted by Dr. Kirti Singha and Mr. Anuj Sharma stand as an indispensable pillar of the comprehensive IIT JAM preparatory journey. These sessions play a pivotal role in fostering a profound understanding of critical concepts, identifying individual strengths and areas for enhancement, and culminating in the formulation of a strategically sound examination approach.

Moreover, the resounding results achieved under the tutelage of Dr. Kirti Singha and Mr. Anuj in the realm of competitive examinations, particularly geared towards IIT JAM preparation, underscore their extraordinary mentorship. The achievements of the 01 successful IIT JAM qualifier and the entry of 07 students into prestigious Master in Physics programs stand as a vivid testimony to the exceptional quality of instruction provided by these esteemed faculty members.

This initiative not only validates its remarkable efficacy in steering students towards their academic aspirations but also significantly enhances the reputation of the Department of Physics at GC Sanjauli. In a broader context, this remarkable achievement serves to fortify the department's standing as an academic beacon, solidifying its prominence within the educational landscape.
