IIT JAM Coaching for Students of Physics Department Session 2018-19

Mr. Pawan Kumar Sharma, Associate Professor Department of Physics, GC Sanjauli Shimla-6, provided coaching and guidance to the students of BSc final year for the IIT JAM entrance exam. The coaching sessions were conducted in a comprehensive and structured manner, covering all the essential topics of physics, which are necessary for the IIT JAM exam.

Mr. Sharma's approach to teaching was engaging and interactive, allowing students to participate in the learning process actively. He used various teaching aids such as PowerPoint presentations, video lectures, and online resources to help students understand the complex concepts and theories.

Moreover, Mr. Sharma also provided guidance on the exam pattern, important topics, and time management strategies to help students prepare effectively for the exam. He also shared valuable insights on how to approach the exam and provided tips and tricks to solve the problems efficiently.

During the coaching sessions, Mr. Sharma conducted mock tests and practice sessions to help students evaluate their progress and identify areas that need more attention. He provided constructive feedback to each student and encouraged them to improve their weaknesses and build on their strengths.

Overall, Mr. Pawan Kumar Sharma's coaching and guidance to the students of BSc final year were highly effective in preparing them for the IIT JAM entrance exam. His expertise and dedication towards teaching helped students to gain a better understanding of the subject and perform well in the exam. A total of 20 students participated in the coaching program for the IIT JAM entrance exam at GC Sanjauli. Out of the 20 students, 4 students cleared the IIT JAM test. The performance of the students who participated in the coaching program was excellent, with most of them scoring above the average marks in the mock tests conducted during the coaching program.
