

# One Day Workshop on Experimental Physics in collaboration with Department of Physics , JUIT Waknaghat

One Day Workshop on Experimental Physics in collaboration with Department of Physics , JUIT Waknaghat

One Day Workshop on Experimental Physics in collaboration with Department of Physics , JUIT Waknaghat was organised in the Department of Physics, Centre of Excellence, GC Sanjauli, Shimla on 15th Dec, 2018. Students from BSc first, second and third year participated in the workshop. Prof. Sanjay Tiwari and Ragini Singh acted as resource person. Prof. Sanjay Tiwari motivated students to study physics in a very engaging way. Students listened to him attentively and participated actively.

Prof Ragini Singh displayed diffraction pattern of hair and explained science behind it. She also explained solar cell and the parameters on which the output of a solar cell depend. From the department DR Pawan , Dr Brij Mohan and Madam Kirti Sigha were present. Madam Sapna Verma from GC Theog were also present.
