The session started with narration of success stories of two Research Scholars Mr. Ritesh Verma and Mr. Ankush Chauhan.. All the students of science stream submitted their questions regarding

research work, filing of patent, about copy right and scopes after graduation. All the questions were responded by the Research scholars and Dean of Sciences Dr. Rajesh Sharma.

It was a wonderful webinar as many students got to know about research work, filing of patents and various opportunities in the field of research.

It was an information rich webinar and delivered many important aspects which may be fruitful for students ,while taking up their career in research. The webinar ended with vote of thanks by Dr. Kirti Singha, Asst. Prof. & Head Deptt. of Physics COE, GDC Sanjauli.
