Dear Mr. Nitin Nathan

With reference to our telephonic conversation last Saturday, I extend gratitude to you for agreeing to mentor our students in your area of expertise. The college shall be sending 98 students to your orchards in Kotkhai for a period of six days, between December and April. Your guidance and training will benefit them in exploring prospects of self-employment, in case they so wish to. Most of these students belong to the surrounding villages of your Orchard and shall commute from home every day. They shall carry their own tiffin.

We hope to continue this productive alliance with you for future endeavours.

Government College Sanjauli acknowledges your gracious participation in the growth of the Institution.

Thank You.

To whom so ever this may concern

I was pleased to have 98 students from Govt. College Sanjauli belonging to District Shimla visit my farms and orchards between December 2021 and April 2022 in small batches to learn the techniques of farming in the pre-spring and summer season that is before and after budding and flowering. I taught them pruning and grafting for different varieties of plums. They will come to learn the use of fertilizers and pesticides whenever they have time. I hope this has been beneficial to them. Good luck for their future.
