Dear Mr. Sanidhya Chauhan

As discussed with you in our last meeting at Sanjauli, while we extend gratitude to you for agreeing to mentor our students in your area of expertise, I write to inform you that the college shall be sending 60 students to your orchards in Kotkhai in the month of January and February. Your guidance and training during their internship with you will benefit them immensely in looking at prospects of self-employment, in future. The students belong to Theog-Kotkhai region and will be commuting from their/ relatives' homes every day. Please feel free to report any incidents of indiscipline.

Thank You.

Dated 02 March, 2022

TO WHOM IT MAY CONCERN

I am happy to say that 60 students have visited my farms and orchards during February 2022 in batches of 20 boys and girls to learn the techniques of farming in the pre-spring and summer season before budding and flowering. They learnt pruning and grafting. I hope this has been beneficial to them. Their conduct here has been commendable. Good luck for their future.
