

REPORT ON EXTRA CLASSES FOR THE PG ENTRANCE EXAMS

The Department in December 2018 and in February 2019 conducted extra classes for the post-graduation entrance exams for the students of the college. A total of 20 students attended the classes, which were conducted offline.

The classes provided a valuable opportunity for students to deepen their understanding of Political Science and henceforth their chances of clearing the exams improved significantly thereafter. The highlight of the class was the informal discussions that took place between the teacher and students and also among the students. The classes were a big success and students gave positive feedback to it. The department is looking forward to conduct more of these classes in the near future. The classes were conducted by Abhishek Thakur, Assistant Professor (Political Science).
