6) Sahil (B.A. 2nd year)

INTRODUCTION

The Free Thinkers Club of the Department of Political Science organized its most ambitious event till date in Decoding G20.

This event garnered the presence of the esteemed principal of the college and many diligent professors .

The primary purpose of this event was to provide a platform for our members to present their views and opinions on the recent G20 summit held in our backyard in a unique fashion.

KEY POINTS DISCUSSED

Unveiling the Evolution: G5 to G20 and now G21

The participants ventured on a journey through time, tracing the forum's evolution from its origins as the G5 to the creation of the present formidable G21.

Cultural Reverie: Art and Indian Heritage Exhibition

Engaging themselves in the art and cultural exhibition, the participants ferried into a vibrant shade of Indian heritage in the G20 summit. They spoke eloquently of India's rich cultural legacy, providing a sensory link to the nation's artistic prowess.

Himachal Pradesh: The Regional Nexus

The discussions took a turn towards Himachal Pradesh, where the participants recognized the profound influence of our home state. The members were pleased with how Himachal Pradesh's natural splendor and cultural diversity left a memorable mark on the global stage.

Pinnacle Outcomes: Corridor, Inclusion, and the Delhi Declaration

The club's attention shifted to the critical outcomes of the G20 summit.

The establishment of the India Middle East Europe corridor was hailed as a bold step towards strengthening regional economic cooperation.

The inclusion of the African Union was celebrated as a demonstration of India's growing stance in the global south. The crowning achievement, however, was the adoption of the Delhi Declaration, signifying a collective resolve to tackle pressing global challenges.

Balancing Act: Positives and Criticisms

As the discussions reached their zenith, the participants engaged in a candid appraisal of the G20 summit's strengths and areas for improvement.

While applauding the actions towards inclusivity and cooperation, they also acknowledged concerns about the pace of decision-making and the need for more actionable outcomes.

INTERACTIVE EXCHANGE: QUESTION-ANSWER SESSION

The question-answer session was a new addition which was marked by wholehearted participation from the audience. It was a momentous occasion where the audience's engagement resonated with all the participants and club members.

CONCLUSION

The Free Thinkers Club's decoding of the G20 summit in India was an illuminating endeavor.

Through art, regional appreciation, and momentous declarations, the participants gained profound insights into the intricate workings of global governance.

Acknowledging both strengths and weaknesses, they departed with a renewed sense of purpose, fully aware of their generation's pivotal role in shaping the future of international cooperation.
