

Systematic Voters' Education and Electoral Participation (SVEEP)

'Greater Participation for a Stronger Democracy'

On 4th December, 2021 **Electoral Literacy Club** of the college organized different activities under SVEEP programme in the Conference Hall under the chairmanship of Dr. C B Mehta. The students were engaged through interesting activities and hands on experience to sensitize them on their electoral rights and familiarize them with the electoral process of registration and voting. Through SVEEP, election commission of India aims at strengthening the culture of electoral participation among young and future voters.

Debate Competition and Poster Making Competition were organized on the theme '*Greater Participation for a Stronger Democracy*'. In the discussion it was resolved that there is a perception among most of the urban sections in our country that, exercising their franchise would not make any significant change in the way our nation is being administered with a view to dispel their negative notions. The election commission has over the years devised various innovative strategies to attract votes across all sections of society and it was communicated to the youth that they should strongly believe that these kind of measures would go a long way in increasing voters participation in the coming election. Hence no vote should go to waste since the vote of every person matters a lot in the process of nation building and to ensure a healthy and flourishing democracy.

Principal C B Mehta, Ms Namita Khagta and Mr Devender Sharma motivated the students by making them aware of the SVEEP's primary goal, which is to build a truly participative democracy in India by encouraging all eligible citizens to vote and make an informed decision during the elections. SVEEP activities works for achieving the aim of building a stronger democracy through greater synergy with Civil Society Organizations, Media and Corporate Houses and even greater queries, suggestions, and participation from individuals.

This is a platform to engage college student through interesting activities and hands-on experience to sensitize them on their electoral rights and familiarize them with the electoral process of voting
