

A Report on **Innovation From Scratch : Building things that Matter**

Platform: Zoom Meeting

Resource Person: Mr. Vaibhav Chhabra

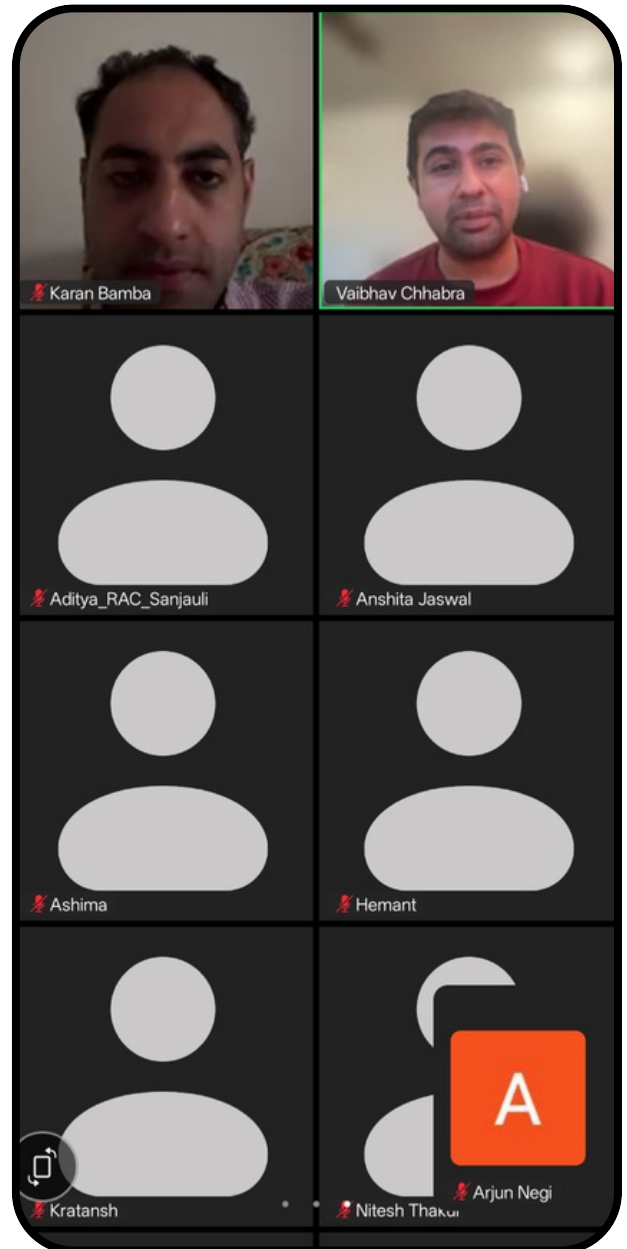

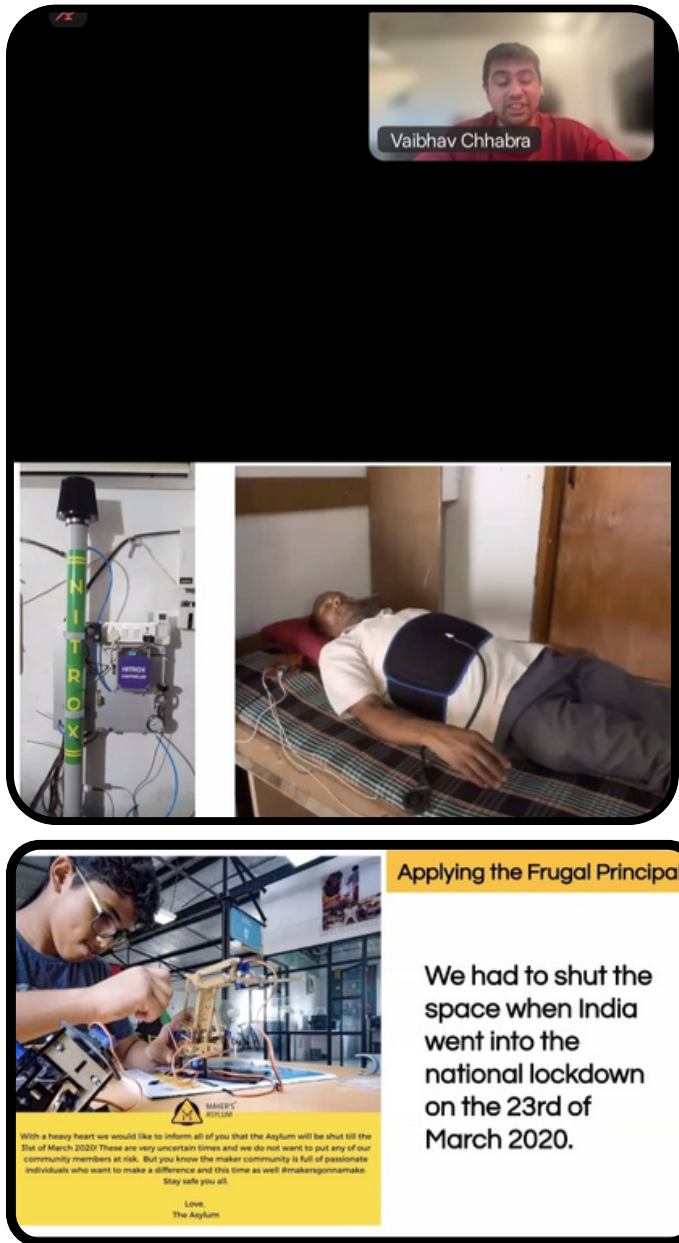

Organized By: Rotaract Club of Govt. College Sanjauli

Date & Time: 13th June 2026 6:00 PM (Online Session)

The **Rotaract Club of Govt. College Sanjauli** successfully organized an online webinar titled “*Innovation from Scratch*” featuring **Mr. Vaibhav Chhabra**, a renowned innovator, entrepreneur, and advocate of frugal innovation. The session was conducted through Zoom and witnessed enthusiastic participation from more than **33 Rotaractors**. The webinar focused on the concept of creating impactful solutions using limited resources and highlighted how innovation does not always require expensive technology or large investments. Through engaging discussions and real-life examples, **Mr. Chhabra** explained the importance of identifying local problems and developing practical, affordable, and sustainable solutions to address them.

During the session, the speaker shared inspiring case studies from the maker movement and demonstrated how innovative products such as low-cost medical devices, face shields, and community-driven technological solutions were developed through continuous experimentation and user feedback. He emphasized the role of creativity, resilience, and collaborative learning in transforming ideas into successful innovations.

Participants gained valuable insights into design thinking, prototyping, problem-solving, and entrepreneurship. The webinar encouraged students to adopt an innovative mindset, utilize available resources effectively, and contribute positively to society through technology and social innovation. The session was highly interactive, with participants actively engaging in discussions and asking questions related to innovation, startups, and career opportunities in the field of technology and entrepreneurship. The speaker's practical approach and inspiring journey motivated attendees to think beyond conventional methods and pursue creative solutions to real-world challenges.

The webinar was conducted under the guidance of **Club Convenor Prof. Rita Chandel** and the **Club President Rtr. Vineet Ronta**. The presence and support of **President, Rotary Shimla, Rtr. Karan Bamba**, added significance to the event. The programme concluded successfully with a vote of thanks to the speaker for sharing his valuable knowledge and experiences.
