Notice

Dear Students,

We are pleased to announce that we will be conducting tutorials for aptitude tests. Aptitude tests are becoming an integral part of recruitment processes in many organizations. To help you prepare for these tests, we have designed a comprehensive tutorial program.

The tutorials will cover a wide range of topics, including numerical reasoning, verbal reasoning, abstract reasoning, and critical thinking. Our experienced teachers and experts from Nimbus Academy will guide you through these topics and provide you with the necessary skills to succeed in aptitude tests.

The tutorials will be conducted in small groups to ensure personalized attention and maximum learning. We will also provide you with practice tests and feedback to help you gauge your progress.

The tutorial program will begin on the 1st of November and will run for a period of eight weeks. The sessions will be conducted once in a week, on Saturday, from 3 pm to 5 pm.

To enroll in the tutorial program, please contact Dr. R. L. Sharma, convener of this programme
