

16 October is observed as the World Food Day every year. It is a day of action dedicated to tackling global hunger, chronic undernourishment and malnutrition-related diseases, ensuring food security and nutritious diets for all. It is also identified as one the seventeen Sustainable Development Goals (SDG) by the United Nations Development Programme (UNDP) as Zero Hunger (SDG-2).

The Rovers and Rangers of the College celebrated the World Food Day by distributing Food items and Fruits among migrant labourers living on the roadside in the vicinity of Govt. College Sanjauli. The Rovers & Rangers also proposed to broaden the scope and scale of this initiative by opening of Food Bank & Cloth Bank in the College so that the teachers and the students could contribute in the worldwide awareness and action for those who suffer from hunger and for the need to ensure food security and nutritious diets for all.

After meeting and understanding the predicament of the labourers, the Rovers & Rangers visited Govt. Primary School Sanjauli as part of the extension activity. They interacted with the teachers and the students of the school and made them aware regarding wastage of food, cleanliness, personal hygiene, and the importance of balanced diet. The Rovers & Rangers entertained the children by playing games with them.
