

Women Cell organized Awareness Program on Gender Sensitization and Women's Safety

On August 8, 2026, the Women's Cell of Government College, Sanjauli organized a special awareness program focused on gender sensitization and the prevention of sexual harassment of women at educational institutions and workplaces. The event commenced with Dr. Pooja Dulta welcoming the chief guest, the Principal, and providing the audience with an insightful overview of the program's objectives. During the event, Dr. Kirti Singha delivered an impactful presentation on the prevention of sexual harassment of women in educational and work environments, offering comprehensive details regarding women's rights and relevant safety regulations. Following this, Prof. Akshay conducted a dedicated counseling session for the students, offering valuable guidance and addressing their queries.

A key highlight of the program was a practical demonstration of the sanitary napkin vending machine conducted by the 'Gender Champions,' who highlighted its operation and emphasized the critical importance of menstrual hygiene. Additionally, students actively engaged the audience through vibrant cultural performances, including a play on gender sensitization, solo and group songs, and poetry recitations. In her closing address, the college Principal, Dr. Bharti Bhagra, commended the initiative and encouraged students to act as catalysts for positive societal change, after which the program concluded with a vote of thanks and the national anthem, all systematically coordinated by Dr. Shivani Khatri, the Convener of the Women's Cell.
