Rotary Club, Shimla

Subject: Sponsorship for cycles and parking lot at GC Sanjauli

Sir/Madam

Reference, our telephonic conversation with you, regarding the proposed 'Cycle to College' project under the Green Shimla Vision of Govt. College Sanjauli, I'd first and foremost like to express our deep gratitude to the Rotary Club, Shimla for agreeing to participate in this. We hope to encourage our students and the youngsters of the town to cycle short distances within the town instead of using fuel-driven modes of transport. In order to facilitate the inculcation of this habit, we wish to have some cycles in place in the campus, which the students can borrow at a minimal cost.

As discussed with you, we look to you for financial support, since being a Government institution; we do not have funds to initiate too many activities on our own-- there's always a financial limitation. Your promise to finance the purchase of five cycles and the creation of the parking facility will kick-start this project in the current session. It would be nice to have the cycles and the parking on campus as soon as possible. While we express gratitude, we eagerly look forward to the cycles and the parking.

Thank you.

Warm regards,

Dr Manisha Kohli
