In the meeting it was decided that unanimously that the members will contribute in the fund, account created for contribution/ membership. It was decided that OSA will fund of ₹30000/- (thirty thousand) for research activities in the college and association will also refund the fee of five students.

In the meeting members were requested to contribute in the association's account for such kind of academic

and welfare schemes.

Members of the association was also of the opinion that executive of OSA should also look into the matter of ways and means for construction of OSA building in the college.

It was decided that the college adminis will provide the land and the office bears will look into the nodal formalities for that.

In the meeting it was decided that frequent meetings of the association should be convened to discuss the issues and keep in touch with the members of the association.

In the meeting it was unanimous resolved that members will fully cooperate with the college administration for the requirement of NAAC accreditation of the college on 24th and 25th August.

All the members praised the activities carried out by the OSA and requested the President to help the association at governmental front.

The President promised that he will help the association from the core of his heart and also appraised that since the Honble Chief Minister is

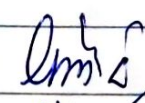

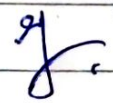

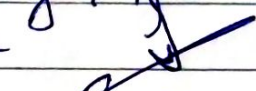

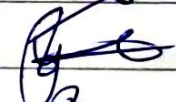

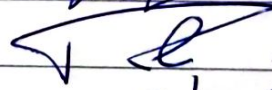

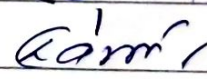

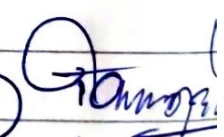

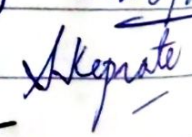

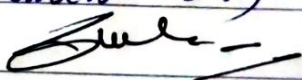

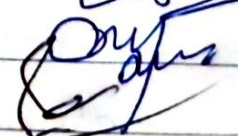

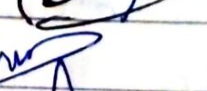

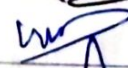

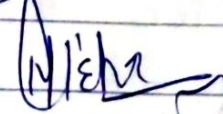

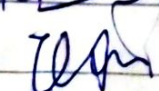

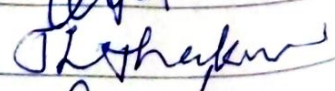

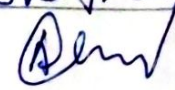

member of our OSA and even some  
ministers and MLAs are our members and  
all the plans of the OSA will be pushed  
forward for the upliftment of institution.

The meeting ended with the vote  
of thanks.

R. Sharma

Report on dated 02-08-2023

The Govt. College Samsarhi organise a one day special lecture for the students of Samsarhi College to interact with the O.S.A joint secretary Sh. Virender Sharma (Registrar Himachal Pradesh University, gave his lecture on time management and Career Counselling with the special talks on the Civil Services, State services, and what are the role of these services in the state, how these services are different from others services. He said we should focused on Career well in time otherwise we should lost the opportunities in his life. In the end he said we should always think positive aspects of our life, because employment is the only source of earning the Income, we must become the best citizen of our country, we should contribute in every field for the nation building. This Interactive session was very fruitful to our students.
