The total number of students admitted in the college in the session was 3241 out of which 1820 students were enrolled in different courses which accounts for at least 56.15 % of the total strength.

1. Government College Sanjauli, Shimla, has been at the forefront of equipping students with essential skills to enhance their employability and prepare them for the competitive job market. In October 2023, the college organized a highly impactful Skill Development Programme in collaboration with the *Management & Entrepreneurship and Professional Skills Council* and the *National Council for Vocational Education and Training (NCVET)*. This training program witnessed enthusiastic participation from over 200 students, who gained valuable insights into various professional and entrepreneurial skills.
2. In another remarkable initiative, the college has partnered with the *IIT Bombay Spoken Tutorial Program* to offer a range of online courses to its students. For the academic year 2023-24, an impressive 1,290 students have enrolled in diverse courses such as **Avogadro, Inkscape, Basic IT Skills, Audacity, Front Accounting**, and many more. With over 50 courses available, this program continues to provide students with opportunities to enhance their skill sets and stay updated with industry-relevant knowledge.
3. Adding to these efforts, the college has collaborated with the *Himachal Pradesh Kaushal Vikas Nigam (HPKVN)* to offer specialized skill development courses. During the 2023-24 session, more than 250 students enrolled in programs focusing on **English Employability and Entrepreneurship and Graphic Designing**, both of which are crucial for today's tech-driven world.
4. Since 2017, the college has also been offering **Bachelor of Vocation (B.Voc)** programs in **Hospitality and Tourism and Retail Management**, which continue to be a major attraction for students. For the 2023-24 session, 80 students enrolled in these programs, which include mandatory internships to ensure hands-on experience and practical exposure.

Additionally, Government College Sanjauli provides degree programs such as **BBA, BCA, and PGDCA**, consistently enrolling around 120 students each session. These programs are designed to provide a strong foundation in business, computer applications, and postgraduate computer education, making them a popular choice among aspiring professionals. Through these initiatives, Government College Sanjauli continues to set a benchmark in skill development and vocational training, ensuring its students are well-prepared to excel in their respective careers. Some pictorial proofs of these activities are given below:
