

5th Day
NSS Camp
Dec 2016

Day 5

26th December 2016, Monday

The day began with lovely prayer sung by NSS volunteers.

In the morning session our physical education professor Dr. Bhopinder Rana gave us useful information about the science of eating and good health.

After that a silent awareness rally was organised in support of women empowerment, cashless economy, and against drug addiction, which proceeded from college to Sanjauli, Shimla.

Ritika Mehta
Press Secretary(NSS)
